The Secret Teachings of Mary Magdalene Clare Nahmad, Margaret Bailey, 2012-01-05 Claire Nahmad and Margaret Bailey re evaluate the significance of Mary Magdalene and cast her in an entirely new light They have discovered that not only was she wife to Jesus Christ and mother to his child but she was his spiritual equal and their partnership exemplified the crucial balance of male and female in spiritual and worldly life Jesus gave her the title of Magdalene which means both tower and magnificent because he recognized her as his consort and co teacher However Mary s role was re written by the early church and it is only now that her secret teachings can be made known thanks to the revelation to the authors of the lost verses of The Gospel of Mary through their skills of inner listening Her teachings are not religious in the narrow sense they are spiritual and accessible to everyone They not only reveal the hidden key to unlocking the powers of the soul which is the next stage of development for humanity but also signal the beginning of a new age in which the sacred feminine assumes its rightful place Of Conflict and Concealment Adam Z. Wright, 2020-10-29 Scholars have long debated the genre of the

Gospels and many opinions have been put forward such as biography history epic or comedy However do the Gospels actually reflect these ancient genres This book addresses this question and arrives at the conclusion that the Gospel of Mark was written as an ancient form of tragedy Why would this matter to ancient or modern readers Tragedy addresses the fundamental question of humanity s suffering and offers a philosophical perspective that orients the reader towards personal and societal growth The Gospel of Mark fits within the tradition of tragic writings and speaks to the same challenges that all humanity faces life is full of trouble and suffering so how are we supposed to think about these things The answer is to be found in Jesus who is both divine and human and who suffers as a result of engaging in conflict with the religious and political traditions of his time **Healing Hurts** Jonathan Miller, 2025-11-04 No one escapes life without experiencing pain but burying wounds doesn t heal them While reading this book you will gain valuable tools to tear down the walls keeping me

stuck in bitterness fear and anger You will also start the healing process and discover true freedom for yourself and the future generations after you No one escapes life without experiencing pain but burying wounds doesn t heal them it lets them control us We build walls of self protection hiding bitterness fear and anger behind a smiling facade only to repeat destructive patterns Healing Hurts reveals a healing process that breaks bondages and transforms lives In Healing Hurts you will discover How to find transformation that brings wholeness to every part of life The tools to move from insecurity to confidence and from brokenness to healing Freedom from the chains of dysfunction and pain to step into God s purpose The pathway to healing spirit soul and body to fulfill your God given destiny Discover real freedom enabling you to live

abundantly and change not only your destiny but also the destinies of future generations
