Aageson,2016-03-18 This book is introductory but it is not an introduction to biblical content or to the history of early Christianity in the typical sense Each of the chapters addresses a different aspect of the material and provides its own perspective on the origin of the church and early Christianity The chapters begin with questions that in turn focus the discussions The chapters can be read as independent freestanding arguments and can be mixed and matched enabling readers to investigate the respective topics independently However the chapters also follow a logical narrative line In addition images and diagrams are used to assist in making critical points and to enrich the visual sense of the material The image of the window serves to give readers lines of sight into the material where historical intersections and patterns begin

Many of us could finish that sentence in our sleep John 3 16 is a beautiful Scripture that neatly and simply sums up the  
message of the Gospel But what do all the other 3 16s in the Bible have to tell us The words of the Bible weave a tapestry of  
love particularly the love that our Heavenly Father has for His children But a love so deep and so wide cannot be contained in  
one memorized phrase It takes multiple authors of sixty six individual books to begin to explore the mystery of God s care for  
us The Other Three Sixteens by Malinda Fugate examines each third chapter and sixteenth verse in the Bible and invites a  
fresh new perspective to help readers uncover surprises or remind them of forgotten truths of a faith that has become  
routine Through Genesis to Revelation we can soak in its depth wonder at its intricacies and be moved at how much the Lord  
truly does lavish upon us Together we discover God s love under the weight of Eve s sin in the garden It s there in front of  
Moses burning in a bush that is somehow not consumed God s love sits in the dark with Job rebuilds a wall with Nehemiah  
and encourages a young pastor named Timothy Together we will find a deeper understanding of the way our Heavenly Father  
cares for each of us today Discussion questions suitable for individual or group use included     **The Soul of the North** Neil
