Kashmiri Life Narratives Rakhshan Rizwan, 2020-04-19 *Kashmiri Life Narratives* takes as its central focus writings memoirs non fictional and fictional Bildungsromane published circa 2008 by Kashmiris Indians living in the Valley of Kashmir India or in the diaspora It offers a new perspective on these works by analyzing them within the framework of human rights discourse and advocacy Literature has been an important medium for promoting the rights of marginalized Kashmiri subjects within Indian occupied Kashmir successfully putting Kashmir back on the global map and shifting discussion about Kashmir from the political board rooms to the international English language book market In discussing human rights advocacy through literature this book also effects a radical change of perspective by highlighting positive rights to enjoy certain things rather than negative ones to be spared certain things Kashmiri life narratives deploy a language of pleasure rather than of physical pain to represent the state of having and losing rights

Writing Food History Kyri W. Claflin, Peter Scholliers, 2013-08-01 The vibrant interest in food studies among both academics and amateurs has made food history an exciting field of investigation Taking stock of three decades of groundbreaking multidisciplinary research the book examines two broad questions What has history contributed to the development of food studies How have other disciplines sociology anthropology literary criticism science art history

influenced writing on food history in terms of approach methodology controversies and knowledge of past foodways Essays by twelve prominent scholars provide a compendium of global and multicultural answers to these questions The contributors critically assess food history writing in the United States Africa Mexico and the Spanish Diaspora India the Ottoman Empire the Far East China Japan and Korea Europe Jewish communities and the Middle East Several historical eras are covered the Ancient World the Middle Ages Early Modern Europe and the Modern day The book is a unique addition to the growing literature on food history It is required reading for anyone seeking a detailed discussion of food history research in diverse times and places

Conversations With Food Dorothy Chansky, Sarah W. Tracy, 2021-02-02 Conversations With Food offers readers an array of essays revealing the power of food and its absence to transform relationships between the human and non human realms to define national colonial and postcolonial cultures to help instantiate race gender and class relations and to serve as the basis for policymaking Food functions in these contexts as items in religious or secular law as objects with which to bargain or over which to fight as literary trope and as a way to improve or harm health individual or collective The anthology ranges from Ancient Greece to the posthuman fairy underworld from the codifying of French culinary heritage to the strategic marketing of 100 calorie snacks from the European famine after the Second World War to the lush and exotic cuisines of culinary tourism today Conversations With Food will engage anyone interested in discovering the disciplinary breadth and depth of food studies The anthology is ideally suited for introductory and advanced courses in food studies as it includes essays in a range of humanities and social science disciplines and each author draws cross disciplinary linkages between their own work and other essays in the volume This thematic and conceptual intercalation when read with the editors introduction makes the collection an exceptionally strong representation of the field of food studies

Brumberg-Kraus, 2018-10-29 This book is about what makes food Jewish or better who and how one makes food Jewish Making food Jewish is to negotiate between the local regional and now global foods available to eat and the portable Jewish taste preferences Jews have inherited from their sacred texts and calendars What makes Jewish food Jewish and what makes Jewish eating practices continually viable and meaningful are not fixed dietary rules and norms but rather culinary interpretations and adaptations of them to new times and places culinary midrash Jewish cuisine is a fusion of interactions a reflection of displacement and intentional positioning and re positioning vis a vis sacred texts old and new lands Jewish and non Jewish neighbors old and new family combinations re imaginings of our personal ethnic gender and other identities Jonathan Brumberg Kraus questions Jewish identity in particular and identity generally as something fixed stable and singular and unintentional Jewish food choices are situational often temporary expressions of Jewish identity It addresses the tension between what Jewish authoritative textual sources and their proponents say is Jewish food and Jewish eating and what Jews actually eat So while discussing connections between ancient religious texts and modern Jewish food preferences this book does not stop there Using examples from his experience Brumberg Kraus describes the improvisational characteristics of gastronomic Judaism as the interplay of texts tastes artifacts and everyday practices not only in the classic sacred texts but also in Jewish cookbooks and internet blogs on Jewish home cooking seasonal intensification of Jewish food choices e g latkes at Chanukah or keeping kosher for Passover safe treif the fusion cultural appropriation of diasporic Biblical and Palestinian foods in new Israeli cuisine and the impact of the environmentalist New Jewish Food movement on contemporary Jewish food choices and identity

Blended Learning Francine S. Glazer, 2023-07-03 This is a practical introduction to blended learning presenting examples of implementation across a broad spectrum of disciplines For faculty unfamiliar with this mode of teaching it illustrates how to address the core challenge of blended learning to link the activities in each medium so that they reinforce each other to create a single unified course and offers models they can adapt Francine Glazer and the contributors to this book describe how they integrate a wide range of pedagogical approaches in their blended courses use groups to build learning communities and make the online environment attractive to students They illustrate under what circumstances particular tasks and activities work best online or face to face and when to incorporate synchronous and asynchronous interactions They introduce the concept of layering the content of courses to appropriately sequence material for beginning and experienced learners and to ensure that students see both the online and the face to face components as being equal in

value and devote equal effort to both modalities The underlying theme of this book is encouraging students to develop the skills to continue learning throughout their lives By allowing students to take more time and reflect on the course content blended learning can promote more student engagement and consequently deeper learning It appeals to today s digital natives who are accustomed to using technology to find and share information communicate and collaborate and also enables non traditional students to juggle their commitments more efficiently and successfully
