## **The Painter By Peter Heller:**

**The Painter** Peter Heller, 2015-03-03 NATIONAL BESTSELLER From the national bestselling author of *The River and The Dog Stars* comes a carefully composed story about one man's downward turning life in the American West. The Boston Globe: "After having shot a man in a Santa Fe bar, the famous artist Jim Stegner served his time and has since struggled to manage the dark impulses that sometimes overtake him. Now he lives a quiet life until the day that he comes across a hunting guide beating a small horse and a brutal act of new violence rips his quiet life right open. Pursued by men dead set on retribution, Jim is left with no choice but to return to New Mexico and the high profile life he left behind where he'll reckon with past deeds and the dark shadows in his own heart." [Gilgamesh to Gierach](#) James W. White, 2024-08-02 Fish have figured profoundly in both human history and imagination for millennia. They are both gifts of the sea, drawing civilizations to the water and terrors of the deep, holding revelations of the unconscious and the unknown. Today fly fishing attracts millions looking to escape modern life and reconnect with some primal meditative instinct to partake in nature's offerings. *Gilgamesh to Gierach* is a collection of three hundred fishing water and fish tales spanning four millennia and numerous genres. More than a historical overview, White has distilled this immense topic into threads that flow through time from legends and literature to nursery rhymes, poems, and humorous fish tales. Anglers will discover fly fishing's ancient roots and spiritual seekers the fish's religious and existential implications. Among the included voices are Homer, St. John, Ovid, Brendan the Navigator, Dame Juliana Berners, Shakespeare, Walton, Melville, Yeats, Thoreau, Hemingway, Rodrick Haig, Brown, and Norman Maclean. Whether told in full or more often condensed, these stories will leave the reader with a strong sense of the fish's significance to many of the world's greatest thinkers. Brimming with jokes, histories, simple folk tales, and great tragedies, this impressive work offers something for everyone.

**The Chelsea Green Reader** Benjamin Watson, 2014 Chelsea Green, the Vermont-based independent publisher, has always had a nose for authors and subjects that are way ahead of the cultural curve, as is evident in this new anthology celebrating the company's first thirty years in publishing. The more than one hundred books represented in this collection reflect the many distinct areas in which we have published: from literature and memoirs to progressive politics to highly practical books on green building, organic gardening, and farming food and health, and related subjects, all of which reflect our underlying philosophy: the politics and practice of sustainable living. *The Chelsea Green Reader* offers a glimpse into our wide-ranging list of books and authors and to the important ideas that they express. Interesting and worth reading in their own right, the individual passages, when taken as a whole, trace the evolution of a highly successful small publisher, something that is almost an oxymoron in these days of corporate buyouts and multinational book groups. From the beginning, Chelsea Green's books were nationally recognized, garnering positive reviews, accolades, and awards. We've published four New York Times bestsellers, and our books have set the standard for in-depth how-to books that remain relevant years, often decades, beyond their original publication date. Chelsea Green was born from a single seed: the

beauty of craft Craft in writing and editing in a story well told or a thesis superbly expressed writes cofounder and publisher emeritus Ian Baldwin in the book's foreword Today craft continues to inform all aspects of our work design illustration production sales promotion and beyond It has even informed our business model In 2012 Chelsea Green became an employee owned company With the rise of the Internet new media platforms and a constantly shifting bookselling landscape the future of publishing is anything but predictable But if Chelsea Green's books prove anything it is that despite these challenges there remains a hunger for new and important ideas and authors and for the permanence and craftsmanship of the printed word Today our ongoing mission is stronger than ever as we launch into our next thirty years of publishing excellence *The River* Peter Heller, 2019-03-05 ONE OF THE OBSERVER THRILLERS OF THE YEAR GLORIOUS PROSE AND RAZOR SHARP TENSION LYRICAL AND ACTION PACKED Guardian I COULDN'T TURN THE PAGES FAST ENOUGH Clare Mackintosh IMPOSSIBLE TO PUT DOWN OR FORGET Sunday Mirror GLORIOUS DRAMA AND LYRICAL FLAIR Denise Mina New York Times Two friends Wynn and Jack have been best friends since their first day of college brought together by their shared love the great outdoors The adventure of a lifetime When they decide to canoe down the Maskwa River in northern Canada they anticipate the ultimate wilderness experience no phones no fellow travellers no way of going back A wild ride But as a wildfire starts to make its way towards them their trip becomes a desperate race for survival And when a man suddenly appears claiming his wife has vanished the fight against the raging flames becomes a much deadlier game of cat and mouse
