The Snow Queen By Michael Cunningham:

The Snow Queen Audrey McIlvain and Melanie Williams, 2019 *The Snow Queen* Michael Cunningham, 2025-09-23 A darkly luminous new novel from the Pulitzer Prize winning author of *The Hours* Michael Cunningham's luminous novel begins with a vision It's November 2004 Barrett Meeks having lost love yet again is walking through Central Park when he is inspired to look up at the sky there he sees a pale translucent light that seems to regard him in a distinctly godlike way Barrett doesn't believe in visions or in God but he can't deny what he's seen At the same time in the not quite gentrified Bushwick neighborhood of Brooklyn Tyler Barrett's older brother a struggling musician is trying and failing to write a wedding song for Beth his wife to be who is seriously ill Tyler is determined to write a song that will be not merely a sentimental ballad but an enduring expression of love Barrett haunted by the light turns unexpectedly to religion Tyler grows increasingly convinced that only drugs can release his creative powers Beth tries to face mortality with as much courage as she can summon Cunningham follows the Meeks brothers as each travels down a different path in his search for transcendence In subtle lucid prose he demonstrates a profound empathy for his conflicted characters and a singular understanding of what lies at the core of the human soul *The Snow Queen* beautiful and heartbreaking comic and tragic proves again that Cunningham is one of the great novelists of his generation

The Snow Queen, 2013 In this reworking of Hans Christian Andersen's fairy tale the magical worlds of Saami shamanism and the Kalevala coexist with the polite Victorian society of nineteenth century Scandinavia At a time when traditional faith is challenged by modern science the old pagan gods still haunt the northern forests One of the novel's two heroines Ritva lives in this forest with her Saami shaman mother and robber baron father until a cultured Danish teenager named Gerda is captured and brought to their camp Gerda has embarked on a dangerous quest to rescue her friend Kai from the Snow Queen an evil enchantress whose wintry palace lies far to the north Their quest leads each of the young women to a fuller understanding of their possible roles in the world and the need for each to find their individual futures on their own terms Kernaghan blends fantasy and historical realism to create an enchanting provocative story that will inspire readers of all ages Kernaghan takes the bones of original fantasy and adds real period detail and strong characterization to create a vividly textured story SF Site Reviews *The Snow Queen* was the winner of the Canadian Science Fiction and Fantasy Award the Aurora for best long form work in English and was short listed by the Canadian Library Association for Best Children's Book of the Year

Michael Cunningham's prose is that it ruins you for mere mortals work. He is the most elegant writer in America. The Washington Post NEW YORK TIMES BOOK REVIEW EDITORS CHOICE A BEST BOOK OF THE YEAR NPR Harper's Bazaar Chicago Public Library Lit Hub Paste Kirkus Reviews April 5 2019 In a cozy brownstone in Brooklyn the veneer of domestic bliss is beginning to crack. Dan and Isabel husband and wife are slowly drifting apart and both it seems are a little bit in love with Isabel's younger brother Robbie. Robbie wayward soul of the family who still lives in the attic loft. Robbie who trying to get over his most recent boyfriend is living vicariously through a glamorous avatar online. Robbie who now has to move out of the house and whose departure threatens to break the family apart. And then there is Nathan age ten taking his first uncertain steps toward independence while his sister Violet five does her best not to notice the growing rift between her parents. April 5 2020 As the world goes into lockdown the cozy brownstone is starting to feel more like a prison. Violet is terrified of leaving the windows open obsessed with keeping her family safe. Isabel and Dan communicate mostly in veiled sleights and frustrated sighs. And dear Robbie is stranded in Iceland alone in a mountain cabin with nothing but his thoughts and his secret Instagram life for company. April 5 2021 Emerging from the worst of the crisis the family reckons with a new very different reality and with what they've learned what they've lost and how they might go on. Cunningham is one of love's greatest witnesses. Los Angeles Times An absolutely stunning portrait of humanity a masterpiece. Literary Hub *Second Texts and Second Opinions* Laurie Zoloth, 2022 This book takes as its subject the intensely private discussions that arise when ordinary people confront life and death choices and struggle with decisions in a world of medical and scientific complexity. Laurie Zoloth began her work in bioethics in a large public California hospital system where she was part of a group tasked with the creation of an ethics committee in every hospital in the system that would hear hundreds of cases every year including pediatric cases from the hospital's intensive care neonatal intensive care burn and oncology units. The book explores the dilemmas presented in these cases and reflects on the competing often incommensurate moral appeals offered by the participants. It then analyzes the cases against and with similar concepts within Jewish thought using rabbinic texts to make legible the factors at play as one makes ethical judgments. This philosophical position is feminist as it considers and at times advocates for the inclusion of family and community in the rationale of the clinical setting. Intertwined with legal statements in the Talmud are aggadot or midrashic texts literary narratives used to argue a point or to complicate a point or to deepen the meaning of the communal discourse adding history case studies or fictive tales to the discussion. Zoloth argues that these texts can be usefully applied to problems in bioethics. She develops the case for a textual turn that is fully imagined and enriched by the many possible re-interpretations of narrative biblical rabbinic medieval modern and post modern.
