# Florida Studies Weekly

## STATE HISTORY

GRADE

## LET'S LEARN ABOUT FLORIDA *This Year!*

Hey there, fabulous Floridians, and welcome to the first issue of Florida Studies Weekly! This week, get ready to take a close look at some of the official symbols of our great state. You may be able to name a few of them right now without even looking. In fact, it's tough to talk about the Sunshine State without a few of them creeping in... See? We even did it just then. Did you catch it? The phrase "The Sunshine State" is one of those symbols we were just talking about. It's one of the state titles. There's more inside, but before you turn the page, give your brain a spin: What's the Florida state animal? The state tree? The state song? The state gem? Maybe you know some of the answers, and maybe they'll be news to you. Turn the page and check it out!

## How to Use Florida Studies Weekly

Okay, just to help you pick out some of the cool features in this and most every issue of your very own Florida newspaper, here's sort of a blueprint: Each issue will include a Connections article on the first page. In this issue, it's just below where you're reading now. This is an article about something that may be going on in our state right now! Our cover story will introduce the topic of this week's issue. It's the article right above the Connections article. Inside, you'll find a bunch of articles close together, packed with amazing information about Florida. We affectionately call that section the lesson. Just below the lesson, all the way to the right, there's an article in some issues about Florida's wildlife. On the left is an article about one of Florida's counties. The one where you live may appear in an upcoming issue! In the Financial Literacy section you'll learn about money—how to earn it, save it and spend it wisely. Also, in every issue, we'll answer a question that we know you're dying to ask. Add to that some fun facts, trivia, and some puzzles and games on the back page, and you have one terrific issue of Florida Studies Weekly every week! (That's what the "weekly" means.) So welcome, friends, and dig right in!

## Connections

## Help a Rat and Learn to Run the Country This Year!

Hey, kids? I'm Revvie the Rat, but you can call me Rev. I'm your online Studies Weekly friend and I need your help. You can help me get great stuff by earning points while you learn. Just scan the code or go to [www.studiesweekly.com](http://www.studiesweekly.com) and click on my picture.

If you've already ever bought something that came with an

owner's manual? Cars, TVs and other things have an owner's manual, a book on how to use them. Your social studies class is the "owner's manual" for the United States of America. You'll learn about history, geography, government by the people, and much more, so you can do a good job of running our country someday.

In America rats can't vote, so "you the people" govern *our* the country. Someday you will be in charge of this country, and you'll choose leaders and

representatives by voting. Then you can tell the representatives you help elect how you think the country should be run. In fact, Studies Weekly kids are so smart, that many of you will someday be mayors, senators, governors—maybe even the president!

For now you have two jobs: Learn about the country and have it work and earn points for me so I can get that great stuff I told you about. It's easy. Just scan or click and you're on your way!
