**Native American Arts and Cultures** Ellen L. Kronowitz,2000 **Narrowing the Achievement Gap for Native American Students** Peggy McCardle,Virginia Berninger,2014-08-21 There has been much talk and effort focused on the educational achievement gap between white versus black Hispanic and American Indian students While there has been some movement the gap has not appreciably narrowed and it has narrowed the least for Native American students This volume addresses this disparity by melding evidence based instruction with culturally sensitive materials and approaches outlining how we as educators and scientists can pay the educational debt we owe our children In the tradition of the Native American authors who also contribute to it this volume will be a series of stories that will reveal how the authors have built upon research evidence and linked it with their knowledge of history and culture to develop curricula materials and methods for instruction of not only Native American students but of all students It provides a framework for educators to promote cultural awareness and honor the cultures and traditions that too few people know about After each major section of the volume the editors will provide commentary that will give an overview of these chapters and how they model approaches and activities that can be applied to other minority populations including Blacks Hispanics and minority and indigenous groups in nations around the globe Research in Education ,1973 **Ohio SchoolNet Software Review Project** ,1998 *Teaching Emergent Bilingual Students with Dis/Abilities* Patricia Martínez-Álvarez,2023 Grounded in authentic teaching and learning experiences this book shows elementary school educators how to create spaces that more respectfully and humanely address the needs of emergent bilinguals with disabilities While the fields of bilingual education and disability studies have been traditionally kept separate Mart nez lvarez argues that many of the constructs researchers and educators employ in their respective fields can be combined to improve instruction This book establishes a dialogue among important constructs such as issues of assimilation and ableism and the expansion of identity agency and humanistic pedagogies It then looks at how these constructs can be used to better understand children who have been assigned inflexible labels that do not cohesively represent their bilingual bicultural identities and their varied ways of learning The text explores the limitations of categorizing children into boxes particularly those of minoritized backgrounds and focuses on actual practices that will engage and empower learners Book Features Combines the fields of bilingual education and disability studies so that bilingual students with disabilities can be

understood and taught from a strengths based perspective Includes activity invitations to help teachers create high quality learning spaces Provides sample work from diverse elementary school aged children as well as children s responses to the learning activity Proposes curriculum to expand what identity and agency look like in schools embracing more humanistic pedagogies **The Manhattan Family Guide to Private Schools and Selective Public Schools, Seventh Edition**
