5 Minute Apologetics For Today 365 Quick Answers To Key Questions:

5-Minute Apologetics for Today Ron Rhodes, 2010-03-01 Christians sometimes come across objections about the Bible they don't know how to answer and they don't know where to look or whom they should ask. Believers can also get confused about doctrine not having the knowledge or background to recognize unbiblical teaching. Bible scholar Ron Rhodes addresses many questions surrounding Christianity on topics such as atheistic objections to Christianity, evolution vs creationism, alleged contradictions or general accusations concerning the Bible, answering the claims of cults about biblical doctrine, relativism vs absolute truth, ethical issues such as abortion and divorce. This book of short one-page answers on 365 of the most frequently asked questions can greatly increase readers' level of discernment in critical areas in just minutes a day. Busy people can boost their understanding of the Bible at their own pace by browsing topics of interest or by reading a topic a day.

Lifelines for Tough Times Mike Fabarez, 2014-07-01 When tough times hit we often find ourselves vulnerable to doubt, fear, worry, even depression. We ask: Does God care? Has He forgotten me? So why does God allow suffering? Author Mike Fabarez, who is well acquainted with deep pain himself as the father of a special needs child and as a pastor who has counseled many through life's hurts, looks to the truths of Scripture for answers. Along the way he shares how complete trust in God alone can restore your confidence and hope, the power of focusing on God's eternal goals for you in life's temporary setbacks. God's promises to love and protect you no matter what happens. This book will not only help you understand why God allows suffering, it will provide you with the resources to stand strong, rest in God's care, and endure. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical, bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Explanation Lemuel Baker, 2012-02 I believe the reason many in the media in academia and in politics have not accepted the gospel is we as Christians have not explained the gospel to them in a manner that makes sense If people understood the gospel they would receive it When the gospel message is understood they would like it because it is good news that brings happiness to a hopeless soul The central goal for Christian Apologetics is most purely stated as handling objections and further honest objections standing in the way of individuals coming to faith In this compact book designed concisely for busy people who need solid answers about the Christian belief system one will come away with solid answers and with the awakening of logical and critical thinking regarding biblical claims Disciplines such as Archeology History Astronomy Jewish Studies and Natural Sciences are separate disciplines that support bible claims and when explored give peace of mind to adherents of Christianity but also to those of other belief systems who seek an objective scholarly study of the Christian Bible Apologetics which means a defense of the faith to defend a position to persuade providing evidence sufficient to bringing a trial from an arraignment stage to a full blown trial which was recorded by the Apostle Peter and engaged by the Apostle Paul in a literal sense when he stayed in Corinth for a year and a half just to teach to reason with and to answer questions for the Corinthian believers and seekers who had honest questions The Apostle Paul also engaged apologetics when persuading King Agrippa and Festus The great Apostle Paul knew by the leading of The Holy Spirit when to preach when to teach and when to sit with people and when to answer their questions so that the barriers to their believing

would be removed See Acts 18 11 which records So Paul stayed in Corinth for a year and a half teaching them the word of God I believe the reason many in the media in academia and in politics have not accepted the gospel is we as Christians have not explained the gospel to them in a manner that makes sense If people understood the gospel they would receive it You are in for a treat and instant growth just by reading this 103 page book The contents are concise but derived from a first year seminary level course in Christian Apologetics formatted for a busy person to read in short bites You wont be the same God Bless You
