Walk into Purpose Alesha Dobos, 2022-09-29 Walk Into Purpose was birthed from the secret place to push you to consistently pursue intimacy with God so that you may discover and fully walk in your purpose. It's when life knocks you down and you're on the verge of giving up that you tend to withdraw yourself from the Father and feel most distant from Him. This 52-week devotional journal is to help you through every season of your life, whether good or bad, to drive you more into purpose and encourage you to press into the Father in times of difficulties so you can continue to walk in purpose without delay or becoming stagnant. Purpose is rooted in one thing: the Father. Without pursuit, there is no intimacy, and without intimacy, there is no relationship, and without relationship, there is no purpose. This book will help you consistently pursue intimacy with the Father. Discover and know God as Abba. Come into your identity as His son or daughter. Walk in the fullness of your purpose.

Biblical Principles for the Home, School, and Workplace John Clunan, 2018-10-02 Most of us spend the majority of our time on this earth at home school and the workplace If you re in school you may also be spending time on any number of extracurricular activities and if you re in the workplace you may also be spending time on additional work related activities such as traveling to meet with customers attend conferences and participate in offsite training and team building activities just to name a few In other words we re all busy and in some cases we feel like you re too busy So home should be our respite from the demands of school and the workplace right It should be a place of comfort and relaxation But that s not necessarily the case because we re also busy managing numerous responsibilities at home as well as caring for our most important relationships OK so other than stating the obvious what point am I trying to make The point is this we need help navigating through life We need guidance and wisdom to manage our responsibilities and in particular our relationships The question is where are we going to turn for answers While there are many options there s only one best option and that s God s Word I want to point you to God s Word to help you address the myriad concerns and issues that are common to everyone These concerns and issues are relevant at home they are relevant at school and they are relevant in the workplace While acknowledging there are many wonderful daily devotional books that are readily available this devotional book is different Rather than presenting a different devotional topic every day I ve intentionally chosen to address one important topic each week I ve done this because I want you to have the opportunity during the week to reflect upon and apply the Biblical concepts of God s Word This will allow God s Word to become more fully implanted into your heart and mind allowing you to grow and become more equipped to handle the challenges of life in a manner that s pleasing to God I ve even added a journal section following each devotional that will allow you if you choose to do so to express your thoughts and experiences for the week as they pertain to the topic There s even enough space for you to add to your journal as you further reflect upon the various topics during the course of the year or subsequent years It s my heart s desire that you your family your classmates your coworkers your customers your neighbors and even strangers will be richly blessed because you chose to read this devotional book In particular I pray that as you spend time reflecting upon and applying the wonderful principles from God s Holy Word you ll grow in your knowledge and your love for Him and His Son Jesus Christ
