**Ultimate Exposure** David Nightingale, 2017-10-05. Exposure is photography's fundamental concept. Master it and you'll master photography. You

don't need a book to take good photos any more most but not all of the time your camera or your phone will handle things for you. But if you don't know what it's doing you don't know how to expose photos; you can't join in the real fun of photography. With this book though you'll quickly master the key principles and grasp a few simple concepts that will open up a world of beautiful sunsets, clever silhouettes, light trails, and bokeh, as well as sophisticated techniques like HDR, manual exposure, blending, and focus stacking. Armed with this knowledge, the digital photos you share will stand head and shoulders above the rest, and you'll have no problem using that film camera or used Polaroid you picked up at that garage sale.

**Mastering Exposure** David Nightingale, 2014-11-10. Take creative control of your images and master the essentials of proper exposure with this comprehensive guide to photography's most fundamental skill. Reinvigorate your artistic enthusiasm by being able to recognise not just the correct exposure but also numerous other creative options for how to capture any given scene. Your photography will stand apart from the crowd and reflect your own unique vision of the world, all because you have mastered the best techniques for capturing stunning images.
