that religion functions to sustain the moral order He does so examining the correlation between criminal behavior and depth of religious belief Stark concludes with an essay on the ingenious methods he uses to unearth data about the popularity of new religions in California and northern Europe the decline of Christian Science in America the spread of Christianity in the Roman world and the execution patterns during the antiwitchcraft frenzy of Enlightenment Europe Together the essays that constitute Exploring the Religious Life offer an engaging introduction to Rodney Stark s provocative insights and a fearless challenge to academic perceptions about religion s place in history society and private life Current Surgical Therapy - E-Book John L.
