**Perspectives on Zimbabwe's Liberation Struggle** Munyaradzi Nyakudya, Wesley Mwatwara, Joseph Mujere, 2022-11-15 This book provides a timely reconceptualization of Zimbabwe's anti colonial liberation struggle resisting simple binaries in favour of more nuanced critical analysis Most historiographies characterize Zimbabwe's liberation struggle as being defined by simple bifurcations along racial ethnic class and ideological perspectives This book argues that the nationalist struggle is far more complex than such simple configurations would suggest and that many actors have been overlooked in the analysis The book broadens our understanding by analysing the roles of a wide range of political figures organizations and members of the military as well as the media and the often overlooked part that women played Over the course of the book the contributors also reflect on the ways in which revolutionary figures have been repainted as sellouts in particular by the ZANU PF ruling party and what that means for the country's interpretation of their recent past Highlighting in particular the expertise of leading scholars from within Zimbabwe across a range of disciplines this book will be of interest to researchers of African history politics and postcolonial studies **Using Graywater and Stormwater to Enhance Local Water**

**Supplies** National Academies of Sciences, Engineering, and Medicine, Division on Earth and Life Studies, Water Science and Technology Board, Committee on the Beneficial Use of Graywater and Stormwater: An Assessment of Risks, Costs, and Benefits, 2016-07-30 Chronic and episodic water shortages are becoming common in many regions of the United States and population growth in water scarce regions further compounds the challenges Increasingly alternative water sources such as graywater untreated wastewater that does not include water from the toilet but generally includes water from bathroom sinks showers bathtubs clothes washers and laundry sinks and stormwater water from rainfall or snow that can be measured downstream in a pipe culvert or stream shortly after the precipitation event are being viewed as resources to supplement scarce water supplies rather than as waste to be discharged as rapidly as possible Graywater and stormwater can serve a range of non potable uses including irrigation toilet flushing washing and cooling although treatment may be needed Stormwater may also be used to recharge groundwater which may ultimately be tapped for potable use In addition to providing additional sources of local water supply harvesting stormwater has many potential benefits including energy savings pollution prevention and reducing the impacts of urban development on urban streams Similarly the reuse of graywater can enhance water supply reliability and extend the capacity of existing wastewater systems in growing cities Despite the benefits of using local alternative water sources to address water demands many questions remain that have limited the broader application of graywater and stormwater capture and use In particular limited information is available on

the costs benefits and risks of these projects and beyond the simplest applications many state and local public health agencies have not developed regulatory frameworks for full use of these local water resources To address these issues Using Graywater and Stormwater to Enhance Local Water Supplies analyzes the risks costs and benefits on various uses of graywater and stormwater This report examines technical economic regulatory and social issues associated with graywater and stormwater capture for a range of uses including non potable urban uses irrigation and groundwater recharge Using Graywater and Stormwater to Enhance Local Water Supplies considers the quality and suitability of water for reuse treatment and storage technologies and human health and environmental risks of water reuse The findings and recommendations of this report will be valuable for water managers citizens of states under a current drought and local and state health and environmental agencies **Food and Nutrition Bulletin** ,2006 **A Far-Away War** Ian

Liebenberg,2016-01-31 South Africa s armed forces invaded Angola in 1975 setting off a war that had consequences for the whole region that are still felt today A Far Away War contributes to a wider understanding of this war in Angola and Namibia The book does not only look at the war from an e olde South African Defence Force perspective but also gives a voice to participants e on the other sidee emphasising the role of the Cubans and Russians This focus is supplemented by the inclusion of many never before published photographs from Cuban and Russian archives and a comprehensive bibliography

Living the City in Africa Brigit Obrist,Veit Arlt,Elisio Macamo,2013 Research on cities worldwide still takes its cue from cities in Europe and the US which are seen as the standard model However cities in the global South are undergoing a much more rapid transformation including multiple interlinked transitions with Africa featuring the highest urbanization rates world wide Scholars therefore call for a new approach to urban studies which examines cities from a more global comparative perspective This book discusses the new approach which pays added attention to the role that societal creativity plays in processes of urbanization instead of concentrating exclusively on expert driven planning and intervention Especially in fast growing cities with weaker institutional capacity for interventions the interplay between intervention and invention between expert and societal agency becomes more tangible and all the more significant Series Swiss African Studies

Schweizerische Afrikastudien Etudes africaines suisses Vol 10 **Western Civilization in Southern Africa** Isaac Schapera,2013-11-05 The book is structured as follows An introduction of old Bantu culture An account of modern Bantu life Discussion of the influence exerted by Christianity and Education upon communal life of the Bantu Examination of special aspects of Bantu culture as they have been modified by Western civilization language and music The economic political and legal positions of the native tribes in South Africa are also covered First published in 1934 General Catalogue of Printed Books to 1955 British Museum.
