Small Town Perfect Boxed Set 5 Mary Campisi, 2019-07-08 Small town romantic women's fiction with love hope second chances and a happy ending Note from Mary I love secondary characters writing them reading about them even watching them on the big screen Secondary characters support the stars make them more vibrant and compelling But when the story ends I'm often left wondering what they'd do if they were in the spotlight That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series Boxed Set Five contains Not Your Everyday Housewife and A Family Affair The Gift I invite you to follow their journey Not Your Everyday Housewife A wise and humorous tale of living large after 40 as women finally make peace with themselves wrinkles blubber neuroses exes and all Three women embark on a month long discovery journey and uncover quite a few tidbits along the way one bottle of Clairol Midnight will not cover a full head of red hair and never talk to men wearing polyester pants hiked up with a tan belt But most of what they unearth is about themselves who they are what they really want what they really don't want The center of controversy is a Maid for You mixer which symbolizes a boring routine suburban life with no second chances then along comes insight in the form of Tula Rae a sixty something salsa dancing Dalai Lama quoting four time widow in Spandex and a gray braid who gives them a different perspective on life love do overs and the real reason a man buys his woman a Maid for You mixer which she says is all about S E X A Family Affair The Gift Only one thing is missing from Tess and Daniel Cash Casherdon's perfect life a child Oh how they long for one to make their life complete But what is it people say about being careful what you wish for Their wish will come true but not in the way they think Daniel Casherdon's past is about to catch up with him It's bad enough when a woman arrives in Magdalena with a nine year old boy she claims is his but confessing to

a terminal illness and asking Tess and Cash to raise the boy when she's gone. Well, that's going to require a big leap of faith that won't be easy or without repercussions. How can anyone refuse a dying mother such a heartbreaking request? Tess is torn between doing right by the child and acknowledging that another woman has given the man she loves something she may never be able to a child. As the woman pulls Cash closer into her emotional circle, it is Tess who becomes the outsider and soon she wonders if the woman has secrets she's not telling. More than one resident is suspicious of anyone who drives a wedge between one of Magdalena's favorite couples. The newcomer may look and act like the girl next door, but something isn't right, and Pop Benito is going to gather ammunition and find out what that something is. But he'd better do it fast before it's too late.

A Family Affair: Fall Mary Campisi, 2014-09-09. What happens when destiny ignores the rules? Gina Servetti was raised to believe she wasn't enough, not thin enough, not pretty enough, not clever enough. She's more comfortable with a spreadsheet than a conversation and doesn't trust easily, especially where men are concerned, most notably the good-looking, smooth-talking ones like Ben Reed. When city boy Ben Reed arrives in Magdalena, he's not planning a long-term stay in a town filled with too many busybodies and too little excitement. He just needs things to settle down in Philly for a few months before he returns to his old life and his plan to win back his ex-wife. But once he gets to know the people in this town, he starts to care about them, one in particular, Gina Servetti. The longer he's around her, the more he realizes she's so much more than a woman with a scowl and a sharp tongue. She's real and honest and as afraid of trusting as he is. Can Ben and Gina open up and take a risk for a chance at real love? See you in Magdalena.
