"Diary of Anne Frank" Act 2 Scene 2

Anne (looking up at one of the photographs). I remember when I got that . . . I won it. I bet Jopie that I could eat five ice-cream cones. We'd all been playing ping-pong . . . We used to have heavenly times . . . we'd finish up with ice cream at the Delphi, or the Oasis, where Jews were allowed . . . there'd always be a lot of boys . . . we'd laugh and joke . . . I'd like to go back to it for a few days or a week. But after that I know I'd be bored to death. I think more seriously about life now. I want to be a journalist . . . or something. I love to write. What do you want to do?

WHAT EFFECT HAS THE WAR/
HIDING HAD ON ANNE? WHAT DOES
SHE THINK OF HER "OLD LIFE?"

WHAT EFFECT IS THE WAR HAVING
ON HER PRE-WAR ATTITUDES?
WHAT IS SHE QUESTIONING?

Anne. I know almost for certain that Margot would never kiss anyone unless she was engaged to them. And I'm sure too that Mother never touched a man before Pim. But I don't know . . . things are so different now . . . What do you think? Do you think a girl shouldn't kiss anyone except if she's engaged or something? It's so hard to try to think what to do, when here we are with the whole world falling around our ears and you think . . . well . . . you don't know what's going to happen tomorrow and . . . What do you think?

Goodrich, 2004-10 Frances Goodrich and

Albert Hackett wrote the screenplays for some of America's most treasured movies including *It's a Wonderful Life*, *The Thin Man*, *Easter Parade*, *Father of the Bride*, *Naughty Marietta*, and *Seven Brides for Seven Brothers*. Legendary films indeed, but writing both the play and screenplay for *The Diary of Anne Frank* was their crowning achievement. Controlled chaos best describes their writing method. They discussed a scene at length, sometimes acting it out. Afterwards, they each wrote a draft which they exchanged. Then Frances said began free criticism which sometimes erupted into screaming matches. Noisy and contentious, the method worked splendidly. Enormously successful and remarkably prolific, Goodrich and Hackett began their thirty-four year collaboration in 1928. Married after the first of their five plays became a hit, they were in many ways an unlikely pair. Frances, the privileged daughter of well-to-do parents, graduated from Vassar, then played minor parts on Broadway. Albert's mother put him on stage at age five when his father died to help pay the bills, and he became a highly paid comedian. The Hacketts were known for their wit and high spirits and the pleasure of their Bel Air dinner parties. They waged memorable battles with their powerful bosses and were key activists in the stressful creation of the Screen Writers Guild. Once they had created Nick and Nora Charles, *The Thin Man*'s bright, charming, sophisticated lead couple, played memorably by William Powell and Myrna Loy, many people saw a strong resemblance, and the Hacketts acknowledged that they put themselves into Nick and Nora. *The Real Nick and Nora* is a dazzling assemblage of anecdotes featuring some of the most talented writers and the brightest lights of American stage and screen. The work was arduous, the parties luminous. On any given night, the guests singing and acting out scripts at a party might include F. Scott Fitzgerald and Sheila Graham, S. J. Perelman, Oscar Levant, Ogden Nash, Judy Garland, Abe Burrows, Hoagy Carmichael, Johnny Mercer, Ira Gershwin, George Burns, and Gracie Allen. Pat O'Brien, Dick Powell, and June Allyson, Dashiell Hammett, Lillian Hellman, James Cagney, and Dorothy Parker.

Silas Marner George Eliot, 1998. A dramatised version of George Eliot's *Silas Marner*. *Teaching Secondary English* Daniel Sheridan, 2013-03-07. This new edition of *Teaching Secondary English* is thoroughly revised, but its purpose has not changed. Like the popular first edition, it balances content knowledge with methodology, theory with practice and problem posing with suggested solutions. The tone and format are inviting while addressing student readers on a professional level. Rather than attempting to cover everything, the text provides a framework and materials for teaching a secondary English methods course while allowing considerable choice for the instructor. The focus is on teaching literature, writing, and language, the basics of the profession. Attention is given to the issues that arise as one seeks to explore what it means to teach English. The problems and tensions of becoming a teacher are discussed frankly in a manner that helps students figure out their own attitudes and solutions. Features: Focuses on a few central concepts in the teaching of secondary English. Provides an anthology of 22 readable and challenging essays on key topics, allowing students to hear a variety of voices and opinions. Includes an applications section for each reading that extends the discussion and asks students to explore problems and grapple with important issues related to the articles. Offers short writing assignments in questions that

follow the readings and in brief writing tasks in the applications and a longer writing assignment at the end of each chapter Addresses student readers directly without talking down to them New in the Second Edition This edition is shorter tighter and easier to use The opening and concluding chapters more directly address the concerns of new teachers The anthology is substantially updated of the 22 articles included 14 are new to this edition Each essay is preceded by a brief introduction and followed by questions for further thought There are fewer applications but these are more extensive and more fully integrated within the text A writing assignment is provided at the end of each chapter Interviews with college students before and after student teaching are included in Chapters 1 and 6 The bibliographies at the end of each chapter are fully updated
