Reformation? Manitzka Kotze,Nadia Marais,Nina Muller van Velden,2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church s moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches **The Hot Shoe Diaries** Joe McNally,2009-03-03

When it comes to photography it s all about the light After spending more than thirty years behind the lens working for National Geographic Time Life and Sports Illustrated Joe McNally knows about light He knows how to talk about it shape it color it control it and direct it Most importantly he knows how to create it using small hot shoe flashes In The Hot Shoe Diaries Joe brings you behind the scenes to candidly share his lighting solutions for a ton of great images Using Nikon Speedlights Joe lets you in on his uncensored thought process often funny sometimes serious always fascinating to demonstrate how he makes his pictures with these small flashes Whether he s photographing a gymnast on the Great Wall an alligator in a swamp or a fire truck careening through Times Square Joe uses these flashes to create great light that makes his pictures sing **Popular Photography** ,1990-07 **Beyond Liminality** Jack David Eller,2024-07-08 Beyond Liminality

Ontologies of Abundant Betweenness examines the concept of liminality in the social sciences and humanities and advocates for a more critical use of the concept while offering more precise alternatives Originally conceived in response to the near universal ritualization of changes of status i e rites of passage liminality was a welcome and much needed correction to the reigning static and structural models of culture at the time However it soon escaped its initial realm and was enthusiastically

and mostly uncritically absorbed by many if not all scholarly disciplines The very success of the concept suggests that there is something about it that resonates with our own cultural sentiments However the assumptions that underlie diagnoses of liminality are seldom noted and even more seldom analyzed and critiqued This book examines the history of the concept its evolution and its current status and asks whether liminality accurately reflects lived realities which might better be described by fluidity hybridity multiplicity constant motion and recombination and abundant betweenness Beyond Liminality Ontologies of Abundant Betweenness is key reading for scholars and students across the social sciences and humanities interested in ritual performance identity formation rights ontology and epistemology
