Letters to Bangkok is a story of love born on the internet between a practising Thai surgeon and an English University marketing manager The initial Skype conversations and subsequent letters are true and exact records of written exchanges between two people trying to find love Below is an extract pages 17 18 and 19 of the actual book *The Skype Connection* SeptemberNovember 2008 Of all the gin joints in all the towns in all the world the famous throwaway saying in Casablanca brings me immediately to thinking with amazement how I first met sweet Pen Reflecting on this momentous meeting well momentous in terms of its life changing impact on my small world I often pose myself one question How is it possible that two people effectively total strangers with widely different backgrounds and experiences can begin a conversation through a chance meeting at a moment in a time and place on a social chat forum called Skype and through that conversation set off additional exchanges leading eventually to two hearts beating as one See explanation of the term Skype below It must be said at the outset that both Pen and I came to the site with reservations and varying degrees of scepticism born from previous failed and disappointing encounters on Skype where people come and go with regular monotony like ships in the night or ghosts briefly haunting the ether space but soon to disappear without a trace It is the nature of the beast called social Internet chatting that you may find someone

interesting and then they disappear never to be seen or heard of again with no by your leave refusing to reply to further communications leaving you saying Um it was definitely something I said I had an early impression from what Pen said that she was more experienced on Skype in comparison to me a relative newcomer But why did Pen and I come to seek out one another in the first place I was searching initially for company and solace as I was suffering in a loveless rather cruel relationship Despite my experiences I have always been an optimist eternally inquisitive and open minded a peoples person Setting aside early negative encounters on social sites I have been blessed with a strong belief in the goodness of human nature and a belief in destiny Whether I believed that destiny could be found in such a chance and brief encounter is a moot point I had just come through a long and difficult marriage which had ended de facto and although I had not made the break physically from my ex partner I had signalled my intention to leave and in mind and spirit I had disassociated myself from intimacy or any future plans with this failed relationship So yes in one sense although not consciously acknowledged by myself I was searching for a human being to fill the emotional chasm left by years of mild mental abuse born of being married to an aggressive and sometimes violent alcoholic I was seeking someone who might be sensitive caring supportive loving someone who could be my friend and confidant someone I could trust with my heart a lover that would be my love for always not just temporarily someone that would be my encourager and someone that would share my dreams and let me share hers and most importantly someone that would not betray my emotional trust a big shopping order you might say And in that respect I had already decided to cast my net wider beyond the shores of England and sought an international partner to be my friend I was already familiar with some of the attractive qualities that an Asian woman might bring to a relationship loyalty selflessness spirituality a caring loving and generous nature and rarely abusive of alcohol I was also physically attracted to the Asian look with their dark eyes sultry looks and long dark hair For Pen Skype perhaps offered amongst other things an opportunity to d *One Thousand and One Arabian Nights* Geraldine McCaughrean,1999-07-15 This illustrated edition brings together all the Arabian Nights tales in an original retelling by award winning author Geraldine McCaughrean

Understanding Heaven's Court System Bill Vincent,2023-03-16 We have a God given right to call forth heaven to come down We do We have the right to participate in that court room In heaven where the devil accuses and God and his angels carry out justice The devil accuses from his heaven and God releases justice from His heaven Let me tell you something when you line up to heaven s court God s court everything in heaven always overrides Satan s plans It s a guaranteed court system if you do it right In the rest of this book you will find a new level that will truly change everything you have ever known about authority and the power of God **Breaking Witchcraft Barrier Against Family Growth** Tella Olayeri,2020-11-29 This is a spiritual loaded prayer book that goes deep to address breaking witchcraft barriers against family growth Every nation s growth starts with individuals and families Clusters of family form a nation This means if families are spiritually and

technically dead the nation will not grow If you build your family and others do the same the nation will grow This book tells how witchcraft barrier can be broken Barriers are created by enemies to demote life and frustrate families The fact is witchcraft barrier is a tough nut to break unless God intervenes Witchcraft barrier is a stopper of good things Since you know this you must exert effort in prayer to break and destroy every barrier designed or erected to stop your family breakthrough This book will teach you how to break chains of darkness assign to stop your family to achieve good things of life It will make you concentrate on family growth salvation and good work to succeed It will teach you how to prevail against witchcraft stronghold blockage and hindrances that demote life This book is a faith builder that will help family to grow It teaches how faith generates power and gives strength to forge ahead in life It teaches how arrogant of witchcraft cannot kill your faith You and your family must succeed This book teaches how stronghold of Satan can be pulled down and destroyed It is certain no threat of the enemy can stop you when you pray the prayer in this book With this book your generation shall count blessings and be blessed The vehicle of your family's glory shall not be stopped or stolen because the Lord is with you The Lord shall reveal to you the wickedness of spiritual blindness and how you can overcome it You shall surely overcome every satanic blindness against your family Prayers and counsel in this book crown it all with anatomy of good health the cornerstone of life You will be introduced to biblical promise of God to you in health matters and prayer to pray As a result of this the book is loaded with Holy Ghost vomited violent prayers that silence works of darkness You are blessed as testimonies shall follow as you use this book

Apostolic Breakthrough Bill Vincent, 2023-04-03 LEADERS are being prepared for this next season of the spirit These mature and loyal prophets will stand before leaders and announce with great power and strength that position changes are coming It is time for true Apostles to come forth in power As I began to type this sermon I heard a voice of ultimate authority echo from Heaven True Apostolic IS Coming I received a prophetic word months ago saying Apostle come forth Little did I know what was going to be required of me We had better get a good understanding of apostolic ministry under us for it will be on top of us before we know it Samuel is a type of this apostolic leadership The Lord did let none of his words fall to the ground nor did he beg his bread from the people **The Key of Destiny** Curtiss FH and HA, 2022-08-19 Or a Spiritual Interpretation of Numbers and Symbols In the Beginning Were Stories, Not Texts C.S. Song, 2011-11-14 The Christian Bible is fundamentally a story Writers painters sculptors artists and indeed people of all walks of life live by the telling of their stories Stories are the most basic mode of human communication Thus it is vital to ask why Christians and above all Christian theologians so often fail to express their faith in terms of story The vast majority of the Hebrew Scriptures for example consist of stories Jesus proclaimed and taught about the Reign of God through stories and parables At the heart of the Christian faith are stories not concepts propositions or ideas Given the deep rootedness of the Christian faith in storytelling this book seeks to address the fact that Christian theology has too often taken the form of concepts ideas and systems This book is an attempt to speak of Christian faith and theology in stories rather than systems

Through stories both biblical and non biblical this book shows how we might reimagine the task of Christian theology in the life of faith today At its heart is the conviction that in the beginning there were stories and that in the end and indeed beyond the end are stories not texts ideas and concepts **The Key of Destiny** Harriette Augusta Curtiss,2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Kingdom Perspective Liza Kobayashi,2012-12-11 Thy kingdom come Thy will be done on Earth as it is in Heaven is a prayer that has been prayed intensely by the body of Christ I believe God is answering this prayer by directing Liza to put into writing what He has been teaching her what she has journaled as to what this will look like in each believers life This book is a timely message also a warning to the body of Christ He is coming soon Are we prepared spiritually mentally for the days ahead Liza talks about preparing ourselves spiritually by having our eyes cemented on Him our ears hearing His voice His words of faith the call for each one of us not to judge but to see the plan of God Unity is key to the Kingdom As you journey with her through her many encounters with the Holy Spirit you will discover the power of intimacy You will come to know the love of God experience a supernatural increase in childlike faith radically increase your expectation of His desire to be present in your life and be challenged to a higher call and commitment As Jesus return draws near it will cost each of us everything This is the cost of serving Him Are we willing to walk in this place for Him Are we yielded vessels that will surrender all if He asks The Kingdom Perspective is a must read to understand the challenge of the times we are living in today
