**Mainlining Christianity** Reverend Thomas F O'Donnell, 2006-02-23 Moderate and liberal Christians Unite Reclaim Jesus from the evangelical Christian right Imagine a faith tradition divided up into literally thousands of denominations based on such silly things as organizational structure how many bishops can you fit on the head of a needle or theological differences such as whether baptism is to be done by dunking or by sprinkling or whether or not the bread and the cup are actually transformed into the body and blood of Christ during the Lords Supper the doctrine of transubstantiation Imagine that even within a single denomination of this faith tradition those who profess to share the same faith have diametrically opposed views on the nature of God the source of salvation the

nature of sin the meaning of scripture the relationship of Science and Religion of Reason and Faith of Truth Certainty and Doubt Imagine further that they cannot even agree on the nature and or message of the man upon whom their religion is founded Finally imagine that a vocal minority of these diametrically opposed views is dominating the public airwaves while the silent majority remains hunkered down in the hallowed halls of their sanctuaries While the message of this vocal minority is embraced by a few in search of simple answers imagine that the masses of un churchd de churchd under churchd never been churchd fed up with church are turned off and are walking away in droves Unfortunately there is no need to imagine any of this It is happening right here right now in the United States of America The faith tradition is called Christianity The vocal minority that is dominating the bully pulpit of public opinion is the evangelical Christian right and the silent majority are moderate and liberal Christians everywhere Mainlining Christianity is a call to Christianitys silent majority to stand up and speak out and to join in a New Reformation Through the vehicle of 95 Theses for the 21st Century the book is divided into eight separate sections Religion Christianity and Worldviews Truth Certainty Doubt Fear Faith Physical Truths In Search of a Theory of Everything T O E Spiritual Scriptural Literal and Mythical Truths In Search of the Logos From Jesus the Man to Jesus the Christ In Search of the Logos Jesus and the Love Ethic Interfaith Interconnectedness and the Logos The Logos Intersects with the T O E God Is LOVE Within each section is a series of messages designed to offer a practical theological roadmap to just such a Reformation Moderate and Liberal Christians Unite Reclaim Jesus from the evangelical Christian right

Fuller, 2015-03-27 You never know about people Human predictability is the singular thing that mathematicians and scientists cannot calculate with 100% accuracy The human chemistry ebbs and flows from second to second where only one thing is certain and that is unpredictability Just as in one s own decision making where life s twist and turns will eventually dictate your final decision sometimes even when you know it is the wrong choice The time an individual spends on earth is as

small as a tiny pebble tumbling down the Grand Canyon We should spend it as wisely as possible by measuring each day hour minute and second given to us Life is a fleeting spirit and with each breath worthy of congratulations as it is given only by the grace of God We must cherish it and nurture every moment as our transitory time marches to an end An end that man has been studying writing songs creating stories about and trying to beat since the beginning of his existence The tragedy of 9 11 changed many things for Americans that will never be the same In the cloudy days soon thereafter Carla King s husband disappeared without a trace and she was left with their daughter to survive After their divorce she was living a mundane life one day at a time when one night while out with friends she runs into Cutino Grigsby her mister right From the start time spent with Cutino was adventurous and lustful gregarious and fanciful free They danced the Marengo on the Bay of Biscay and flew with the doves over mountains of joy Their impromptu travels to faraway places and gifts from Cutino blinded her from any negative judgments about him His physical appearance was striking and his confidence brought her security and made Carla take a note of admiration But it is his deceit that teaches her the most as her renaissance man will bring changes into her life that she never anticipates She must hang on for the ride towards a crossroad of life which could land her in deep water or even her demise
