Where Can I Buy The Book Insurgent

Robert R. Leonhard

Where Can I Buy The Book Insurgent:

Who Are the Insurgents? Amatzia Baram, 2008-10 **The Insurgents** Fred Kaplan, 2013 The inside story of the small group of soldier scholars who changed the way the Pentagon does business and the American military fights wars against fierce resistance from within their own ranks **Waging Insurgent Warfare** Seth G. Jones, 2017 An analysis of insurgent warfare looking at factors that contribute to insurgency **INSURGENT NATIONS** PAULA CRISTINA. ROQUE, 2025

Insurgent Identities Roger V. Gould, 1995-12 In this important contribution both to the study of social protest and to French social history Roger Gould breaks with previous accounts that portray the Paris Commune of 1871 as a continuation of the class struggles of the 1848 Revolution Focusing on the collective identities framing conflict during these two upheavals and in the intervening period Gould reveals that while class played a pivotal role in 1848 it was neighborhood solidarity that was the decisive organizing force in 1871 The difference was due to Baron Haussmann's massive urban renovation projects between 1852 and 1868 which dispersed workers from Paris's center to newly annexed districts on the outskirts of the city In these areas residence rather than occupation structured social relations Drawing on evidence from trial documents marriage records reports of police spies and the popular press Gould demonstrates that this fundamental rearrangement in the patterns of social life made possible a neighborhood insurgent movement whereas the insurgents of 1848 fought and died in defense of their status as workers those in 1871 did so as members of a besieged urban community A valuable resource for historians and scholars of social movements this work shows that collective identities vary with political circumstances but are nevertheless constrained by social networks Gould extends this argument to make sense of other protest movements and to offer predictions about the dimensions of future social conflict Insurgent Love Ardath

Whynacht, 2021-10-31T00:00:00Z Domestic homicide is violence that strikes within our most intimate relations The most common strategy for addressing this kind of transgression relies on policing and prisons But through examining commonly accepted typologies of high risk intimate partner violence Ardath Whynacht shows that policing can be understood as part of the same root problem as the violence it seeks to mend and provides an abolitionist frame for the most dangerous forms of intimate partner violence This book illustrates that the origins of both the carceral state and toxic masculinity are situated in settler colonialism and racial capitalism and sees police homicide and domestic homicide as akin Describing an experience of domestic homicide in her community and providing a deeply personal analysis of some of the most recent cases of homicide in Canada the author inhabits the complexity of seeking abolitionist justice Insurgent Love traces the major risk factors for domestic homicide within the structures of racial capitalism and suggests transformative anti capitalist anti racist feminist approaches for safety prevention and justice **John Reed and the Writing of Revolution** Daniel Wayne Lehman, 2002 Reed thereby alienated literary critics who had idealized timeless artistry against the rough and tumble world of historical details and political implications Undergrounds in Insurgent, Revolutionary, and Resistance Warfare Robert R.

Leonhard,2013 Examines the anatomy of undergrounds in various insurgencies of recent history Preface **Managing Terrorism and Insurgency** Cameron I. Crouch,2009-09-10 This book examines how governments can weaken the regenerative capabilities of terrorist and insurgent groups The exploration of this question takes the form of a two tier examination of three insurgent actors whose capacity to regenerate weakened in the past the Front de lib ration du Qu bec FLQ of Canada the Movimiento de Liberaci n Nacional Tupamaros MLN T of Uruguay and the Provisional Irish Republican Army PIRA of Northern Ireland during the mid 1970s At the first level of its examination the book investigates the extent to which the regenerative capacities of the FLQ MLN T and PIRA weakened because of an increase in attrition and a decrease in recruitment The primary objectives of this analysis are to uncover whether a declining intake of recruits played a lesser equal or greater role than a burgeoning loss of personnel in weakening the capacities to regenerate of the three insurgent actors and in turn to shed greater light on the broader validity of the prevailing view in conflict studies that a decrease in recruitment is more important than an increase in attrition in effecting the corrosion of an insurgent actor s capacity to regenerate At the second level of its exploration the book assesses the effectiveness of five of the most prominent policy prescriptions in the literature and insurgent recruitment and attrition ameliorating grievances selective repression discrediting insurgent ideology improving intelligence collection and restricting civil liberties This book will be of much interest to students of terrorism and counter terrorism conflict studies strategic studies and security studies in general Cameron Crouch is currently an Analyst at Allen Consulting Group an Australian economics and public policy consulting firm He has a PhD from the Strategic and Defence Studies Centre at The Australian National University Revolution and Rebellion in Mexican Film Niamh Thornton,2013-08-15 Revolution and Rebellion in Mexican Film examines Mexican films of political conflict from the early studio Revolutionary films of the 1930 50s up to the campaigning Zapatista films of the 2000s Mapping this evolution out for the first time the author takes three key events under consideration the Mexican Revolution 1910 1920 the student movement and massacre in 1968 and finally the more recent Zapatista Rebellion 1994 present Analyzing films such as Vamanos con Pancho Villa 1936 El Grito 1968 and Corazon del Tiempo 2008 the author uses the term political conflict to refer to those violent disturbances dramatic periods of confrontation injury and death which characterize particular historical events involving state and non state actors that may have a finite duration but have a long lasting legacy on the nation These conflicts have been an important component of Mexican film since its inception and include studio productions documentaries and independent films **Military Review** ,2007 **Professional Journal of the United States Army** ,2007 Insurgent Fragmentation in the Horn of Africa Michael Woldemariam,2018-02-15 This extended treatment of insurgent fragmentation provides an innovative new theory tested through analysis of the Horn of Africa s civil wars **Enriching the Sociological Imagination** Rhonda F. Levine,2016-01-08 Since the 1960s radical sociology has had far more influence on mainstream sociology than many observers imagine This book pairs seminal articles with new

reflective essays written by the founders of progressive sociology including Fred Block Edna Bonacich Samuel Bowles Herbert Gintis Val Burris G William Domhoff Richard Flacks Harvey Molotch Goran Therborn and Erik Olin Wright The book highlights the wider impact of radical sociology and shows how the work of these and other writers has continued to influence sociology's continuing interest in capitalism class race gender power and progressive social change It also describes future directions for a critical sociology relevant to a multicultural and global world Combatant Experiences in Multi-Ethnic Extremist Groups Makena Micheni, 2025-08-29 This book uses Boko Haram as a case study to delve into the operations of extremist groups in sub-Saharan Africa with a particular focus on the unique cultural contexts in which they function The book explores how such groups navigate ethnically diverse environments and manage to forge a sense of collective homogeneity even in the face of internal diversity Drawing from first hand interviews with ex fighters and a thorough examination of the group's operational dynamics including recruitment indoctrination combat leadership and unit behaviour the book identifies moments when despite Boko Haram's aim to transcend ethnic boundaries ethnicity nonetheless becomes a defining factor within specific combatant units It develops a theoretical framework to explain these instances building on and extending existing socialization theories to understand when and why socialization processes fail ultimately causing ethnicity to resurface within these units By exploring how tribal and ethnic considerations influence the group's functioning this book provides a more nuanced understanding of contemporary insurgent groups and the social forces that shape them This book will be of much interest to students of political violence African politics and security studies

Insurgent Intellectual Brendan Taylor, Nicholas Farrelly, Sheryn Lee, 2012 With a distinguished career spanning more than four decades Professor Desmond Ball is one of the world's greatest scholars of strategy and defence Australia's home grown giant In this collection of essays leading political media and academic figures including former United States President Jimmy Carter pay tribute to his remarkable contributions From a base at the Australian National University in Canberra Professor Ball has unflinchingly researched topics from Cold War nuclear strategy and the defence of Australia to spy scandals and Southeast Asian paramilitaries His roaming intellect appetite for getting the facts and commitment to publishing on sensitive topics ensure he is a towering figure who has provided impeccable service to Strategic Studies the Asia Pacific region and the Australian community **The Insurgent Barricade** Mark Traugott, 2010 A case study in how techniques of protest originate and evolve this book tells how the French perfected a repertoire of revolution over three centuries and how students exiles and itinerant workers helped it spread across Europe Riding with the Revolution Dan La Botz, 2024-07-08 Riding with the Revolution tells the story of Americans who from 1900 to 1925 became involved with the Mexican Revolution John Reed actually saddled up and rode with Pancho Villa Later American war resisters crossed the Rio Grande into Mexico where they helped found the Communist Party the Industrial Workers of the World and a Feminist Council Protestant ministers Socialist Eugene Debs Samuel Gompers head of the AFL the anarchist Emma Goldman and

Communists John Reed Louis Fraina Bertram Wolfe as well as foreign politicians M N Roy Sen Katayama and Alexander Borodin all took a hand in the Mexican labor movement Inside Insurgency Claire Metelits, 2010 Through interviews and on the ground research this book provides a new explanation of the nature of insurgent group behavior Through case studies of the SPLA FARC and PKK it offers an intimate understanding of modern day insurgent terrorist groups and their tactics as well as an explanation of the changing behavior of insurgent groups toward the civilians they claim to represent *Report of the Secretary of War, which Accompanied the Annual Message of the President of the United States, to Both Houses of the ... Congress ,1900*
