22 simple and useful tips

Report the pallet truck before use.

Always wear safety boots.

Always report damage before it gets worse.

Never operate the truck with wet or slippery hands and use correct safety grip.

Never allow a passenger to ride on the pallet truck and never hang on to or hold on to.

Downhill the pallet truck is a step.

Drive the pallet truck carefully, sensibly and responsibly. Always report any damage and handling and drive carefully in wet or icy conditions.

On slopes, drive slowly and in a straight line, keeping the load on the right side. Never operate a fork-lift on a slope.

It's better to brake & slow down.

On a slippery floor, slow down to prevent the pallet truck from sliding or overturning.

Always maintain a safe distance from other vehicles, loading platforms and the like. Watch out for areas marked 'danger zone'.

When driving by using the truck with a restricted load, use caution with a restricted load, and always report.

Only use pallet trucks which fall within the capacity of the pallet truck.

Handle only loads that are stable and properly secured.

Never park on objects, in front of emergency exits or other places where no other traffic.

Always look in the direction you are driving and look in good time so as to prevent damage to the load.

Be careful with the battery and the connections. Check the condition of the battery regularly.

Only qualified personnel are allowed to do an inspection, adjustment and repairs.

The display of the truck with an error code. Read the operator's manual before calling service.

In case of an emergency press the emergency stop-off button.

## Designed and manufactured with safety in mind

Every year many minor and unnecessary incidents occur due to negligent and unwise use of in-house transport equipment. Pallet trucks such as the BT Levio are designed to make it easy to transport pallets from A to B. A truck that is easy to operate helps reduce the risk of accidents and physical injury. This information poster was developed to remind users, in an easy-to-follow way, how to work safely with electric pallet trucks.
