travel together with the protagonist a young girl in search of the Magic Castle they face many challenges Disunity and greed break the travellers into two groups with the rebellion led by Long John Silver Although the group reunite they face new hurdles First they meet Rangeela Raja and Rangeen Rani symbolic of the distraction offered by the glamorous world of cinema and television which threaten the habit of book reading In spite of every difficulty the Girl and her storybook friends march on The characters fall into the Pit of Oblivion symbolic of their erasure from our memory and our lives On the girl's earnest request Rangeen Raja jumps in the pit to save them Soon after they are attacked by Termites which later transform into Computer Viruses but are destroyed by the eponymous hero of the Prince of Persia video game Finally as they reach their destination they realize that the Magic Castle is actually a library a haven for books The girl is awarded a lifetime membership of the library and a magic Gold Card that will transport her to the library any time she wishes for escorting all the characters to their destination safely and thus giving them the treasure of immortality The unique and symbolic play is a reminder of the importance of books in our lives and what we may do to preserve them The journey of the girl and the fictional characters towards immortality and perennial readership is a metaphor of this need to keep books alive
