Ditched Again Stacey Joy Netzel, 2011-07-24 Summer Clark Yes I m excited for my ten year class reunion I flew all the way from Florida to Wisconsin so I could rub my success in Josh Nelson s face I know it sounds vindictive but the jerk ditched me at the Snowball dance left me to find my own ride home and never apologized He s got it coming if I can get a tow truck to come out in this freak May snowstorm and pull my rental car out of the ditch Josh Nelson No I m not looking forward to the reunion Just hearing the name Summer Clark brings back memories of a night I buried long ago and never talked about again Seeing her means skirting the truth while trying to deliver a way too late apology No with this storm I think I ll head home as soon as I help this car sunk in the ditch Clearly there are two sides to every story      **If Tombstones Could Talk**  
Stacey Joy Netzel, 2011-10-22 Had someone asked Melanie Sparks if she believed in ghosts she d have laughed before voicing an emphatic No Then she takes a walking tour of the cemetery in her new hometown of Lindeman s Crossing Colorado and meets one of the residents face to face The story behind Andrew Lindeman s tragic death after the Pike s Peak Gold Rush in 1859 triggers dreams in which she relives his last moments Drawn to the handsome ghost attraction builds and she resolves to clear his tarnished name A passionate kiss sets his spirit free but will Melanie lose her heart forever Excerpt She started with the trail next to the river behind her cottage The walk along the South Platte River settled her nerves until she realized it d looped through the park and led her back to the cemetery Her feet rooted to the spot outside the gate as she stared intently at that one specific shaded grave site Everything looked normal No shadow figures No shimmering air No voices in her head Most likely her subconscious had been playing with her yesterday Her imagination had been in overdrive after all the wonderful history she d learned Still hesitant Melanie entered the deserted grounds and followed the path John had led the senior group along the day before Every so often she snuck a glance toward the black granite until at the end she once again stood in front of the stone Deep breath Let it out slow Everything s fine Squatting down she reached to touch the old worn stone sunk in the earth Cold As it should be Her gaze rose to the other one looming in front of her Nervous anticipation mixed with dread raising goose bumps on her arms like yesterday Much as she didn t want to touch its smooth surface she had to make sure Her hand trembled slightly as she extended her arm Cool Relief tingled through her entire body With one finger she traced the A in Andrew then flattened her palm over the name In a single instant the granite warmed almost to the point of burning her flesh She yanked her hand back with a gasp then nearly jumped out of her skin when a male figure materialized out of thin air right before her eyes Dark glittering eyes locked on her A scream froze in her throat and she found she couldn t breathe If she stayed still would it go away Her lungs burned She needed oxygen or she d faint Rising slowly she drew in a deep breath of air then concentrated on repeating the process until her legs steadied All the while her mind registered details The man of her dreams Tall Dark wavy hair worn long enough to hang over his forehead and brush

the collar of his black shirt Eyes that at first glance appeared black but now she saw were a sexy slate gray His thick eyebrows shadowed them making them seem darker A hint of a five o clock shadow lent a sinister air yet she wasn't truly afraid of him You can see me The husky accusation washed over her **Spring Dreams (Romancing Wisconsin - 11)**

no resistance He knew from experience she could lay him out flat in one move if she wanted So what was her game Hands flattened against his chest she lifted her face to his He swallowed hard at what he saw Earlier she d turned away from him Now the heat in her gaze was pure invitation Closing his eyes against the temptation did nothing to stop latent desire from rising up to engulf him Things had been explosive between them in the past He discovered nothing had changed when his body hardened in response Desperation tightened his grasp What do you want from me Her fingers curled into his shirt nails scraping his chest through the silk material I don t know she whispered Opening his eyes he locked his gaze with hers and was surprised to see there was some truth to her words Uncertainty was mixed with an intense hunger that matched his Shallow breaths feathered his chin raising his response level past rational thought He slid his hands up to frame her face and lowered his head Is it this Giving her no chance to answer he covered her mouth with his He swept his tongue inside and there was nothing tentative about his possession or her response She tasted better than he remembered a unique blend of sweet and spice that could never be replicated Breaking the kiss he rasped Tell me Eva Is that what you want Yes she breathed

Autumn Bliss (Romancing Wisconsin - 6) Stacey Joy Netzel, 2014-07-16 After a string of bad luck Mallory Parker is convinced her future lies way beyond the streets of the small hometown that stole her mother's hopes and dreams As soon as she saves enough money at her new job she's going to get out and get a life and no one can tempt her to stay until she meets the man who does Army veteran Levi Jenkins is still dealing with the aftermath of his last tour of duty Working in the background as a maintenance man at Whispering Pines Lodge gives him the peace his soul craves The last thing he wants is the distraction of a woman who charms his heart while teaching him to smile again Or maybe that's exactly what he needs Levi fears loving her and losing her would be too much to endure and yet asking Mallory to stay could destroy the very essence that makes her so special If either of them are to be happy he must find the courage to set her free EXCERPT She needed to hit something Hard Holding his gaze without backing down she silently dared him to take the ax away by force He could do it easy and she actually wanted him to force the physical confrontation Instead he gave a brief nod Okay You want to work off some steam I get it I don't want to have to rush you to the emergency room so let me show you the right way to do it and it's all yours Fine She shoved the handle toward him and let go at the same time Arms crossed over her chest all her weight on one leg she waited He transferred the ax to one hand and let it swing down alongside his leg Then he walked over for a hunk of wood and returned to set it on the stump cut side up Once he moved into position he glanced back to where she stood Hands like this then swing back and around and bring it down so the sharp edge hits the wood in the center In one fluid motion he did exactly as he described and split the piece of wood clean in half Facing her he asked Got it Yeah I got it His eyebrow arched at her sarcasm but she didn't care It felt good to not care for once To not pretend like she was okay with the raw deal life had handed her lately Felt great actually He extended the ax and she wrenched it from his grasp Only he let go at the same time and she stumbled at the unexpected lack of resistance His lightning fast steady grip only annoyed her more She stepped into position as he placed a log on the stump for her then stood back slightly off to her left No Put your hands like I showed you She'd seen his swing and the subsequent play of muscles beneath his T-shirt but prior to that she'd been focused on him not the instructions She moved her hands closer together This isn't baseball She moved them farther apart I thought you said you got it he huffed as he stepped up behind her His arms closed around her his hands sliding down

to adjust her grip on the handle as the front of his body came into full contact with her back She sucked in a surprised breath and smelled nothing but Levi From one heartbeat to the next all her anger and frustration morphed into intense awareness that literally had her trembling in her boots To everything there is a season Love finds a way during the four seasons in the Romancing Wisconsin Series Starting with Christmas Winter then moving on to the rest of the seasons check out this bestselling heartwarming series set in small town Wisconsin where hope springs eternal for each happily ever after Sexy military heroes runaway brides surprise babies single parents meet the Rileys the Walshes and best of all Butch aka Santa Butch The mischievous matchmaker makes a cameo in each story adding a touch of magic to the lives of everyone he loves and even those he s just met Romancing Wisconsin Series Mistletoe Mischief Mistletoe Magic Mistletoe Match Up Mistletoe Rules short bonus story Autumn Wish Autumn Bliss Autumn Kiss Autumn Glimmer short bonus story Spring Fling Spring Serendipity Spring Dreams Spring Spark short bonus story military romance fiction collections romance back in town a small town series Heartwarming Romance series small town romance series steamy romance sexy military hero romance military hero romance veteran Army veteran hero spunky heroine alpha male romance fun small town romance matchmaker Wisconsin author Wisconsin romance fans of Hallmark movies contemporary romance books set in Wisconsin *The Perfect Blend* Donna Marie Rogers,2011-07-05 A hometown series full of sexy romance humor and heart Carrie Lowell swears off men for good after nearly losing her business in a bitter divorce settlement to her abusive ex husband She s on the verge of filing bankruptcy when handsome librarian Matt Jacobs walks into her shop and offers sound if unwanted business advice Sure financially he s a godsend but emotionally he s a threat to the barricade she s built around her heart Heir to a vast fortune Jacob Spalding flees L A for the tiny Midwest town of Redemption Wisconsin to escape the scandalous nightmare his life has become Now known as Matt Jacobs he buys a little cottage and settles in to small town life Soon he finds himself infatuated with the owner of the coffee shop across the street Too bad the infuriating woman is as contrary as she is beautiful EXCERPT Whistling Matt strode through the swinging door that separated the kitchen from the dining area and headed straight for the counter He seemed rather pleased with himself All fixed Anything else I can do before I head over to the library No Thanks I owe you for the air conditioner I have to admit Jacobs I m impressed You re a hard worker and that s something I value His brow rose I m sorry did you just compliment me She pursed her lips in an effort to hold back a grin but lost the battle Don t get used to it Her pulse sped up when he reached out and traced her jaw line with his fingertips his gaze centered on her lips Do you have any idea how beautiful you are Carrie suddenly became lost in those gorgeous eyes and that handsome face Words failed her She swallowed hard and fought to keep from melting at his feet He started to lean in and she panicked Did he mean to kiss her Right here in the shop where anyone could see them The door opened with a tinkling sound and he snatched his hand back looking like a guilty little boy Talk about saved by the bell She cleared her throat and smiled as a couple of teenage girls walked up to the counter Her smile faded when she realized they weren t there as customers
