Here Come The Coeds:

College Girls Lynn Peril, 2013-12-16 The author of *Pink Think* takes on a twentieth century icon the college girl A geek who wears glasses Or a sex kitten in a teddy This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman Thus such lofty cultural expressions as *Sex Kittens Go to College* 1960 and a raft of naughty pictorials in men s magazines As in *Pink Think* Lynn Peril combines women s history and popular culture peppered with delightful examples of femorabilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity Catalog of Copyright Entries Library of Congress. Copyright Office, 1975 Motion Picture Series and Sequels Bernard A. Drew, 2013-12-04 In 1989 alone for example there were some forty five major motion pictures which were sequels or part of a series The film series phenomenon crosses all genres and has been around since the silent film era This reference guide in alphabetical order lists some 906 English Language motion pictures from 1899 to 1990 when the book was initially published A brief plot description is given for each series entry followed by the individual film titles with corresponding years directors and performers Animated pictures documentaries and concert films are not included but movies released direct to video are **Campus Life in the Movies** John E. Conklin, 2014-01-10 Hollywood films have presented audiences with stories of campus life for nearly a century shaping popular perceptions of our colleges and universities and the students who attend them These depictions of campus life have even altered the attitudes of the students themselves serving as both a mirror of and a model for behavior One can only imagine how many high school seniors enter college today with the hopes of living the proverbial Animal House or PCU Greek experience or how many have worried over the SAT and college admissions after watching more recent movies like 2004 s *The Perfect Score* This book explores themes of college life in 681 live action theatrically released feature length films set in the United States and released from 1915 through 2006 evaluating how these movies both reflected and distorted the reality of undergraduate life Topics include college admissions the freshman experience academic work professor student relations student romance fraternity and sorority life sports political activism and other extracurricular activities The book also includes a complete filmography and 66 illustrations **Swing Shift** Sherrie Tucker, 2000-06-06 The story based on extensive individual interviews of the women s swing bands that toured extensively during World War II and after a kind of League of their Own for jazz *Bowker's Complete Video Directory, 1999* , 1999 Evening the Score Jan Bell Groh, 1994-07 Despite the suffragist activities of the 1920s and the heightened pressures brought to bear on traditionally male only institutions in American society during the past three decades many vocations remain sanctuaries of male dominance One such area is the classical music world though as Jan Bell Groh asserts in *Evening the Score* inroads into this field have been made sometimes at great cost At the center of

this work is a unique set of newsletters edited and published by F r d r i q u e Petrides one of America s first and most influential female conductors In Petride s time most women musicians were forced to ply their trade in all female orchestras through the thirty seven issues of Women in Music published from 1935 to 1940 the achievements of these musicians were championed and the prejudices misconceptions and deliberately discriminatory policies of many of their male counterparts were exposed and condemned Evening the Score is an ambitious endeavor that seeks not only to preserve these early documents and explain them within the context of the 1930s music industry but also to garner for Petrides the long overdue praise to which she is entitled It is at once a celebration and a source of inspiration **Halliwell's Film Guide** Leslie

Dick,2021-11-09 Horror films Deanna Durbin musicals Francis the talking mule Ma and Pa Kettle Ross Hunter weepies Theme parks E T 1982 Apollo 13 1995 These are only a few of the many faces of Universal Pictures In February 1906 Carl Laemmle German immigrant and former clothing store manager opened his first nickelodeon in Chicago where he quickly moved from exhibition to distribution and then to film production A master of publicity and promotions within ten years Uncle Carl had moved his entire operation to Southern California founded a city and established Universal Pictures as one of

the major Hollywood studios In *City of Dreams* Bernard F Dick traces the history of Universal Pictures from its humble early origins to the modern day and analyzes the studio's films from horror flicks featuring Karloff and Lugosi to comedies starring Abbott and Costello and W C Fields Dick details how the Laemmle family was eventually forced out of the Universal empire replaced by a string of studio heads who entered and exited one after another the beginning of the age of corporate Hollywood which transformed Universal Pictures into NBCUniversal a subsidiary of Comcast Dick explains how the Universal International merger in 1946 Decca's stock takeover in the early 1950s and MCA's buyout in 1962 all presaged today's Hollywood where the art of the deal often eclipses the art of making movies Ultimately although stars and executives have come and gone shaping and reshaping the studio's image Universal's revolving globe logo has lit up screens around the world through it all

Some Liked It Hot Kristin A. McGee, 2011-07-21 Women have been involved with jazz since its inception but all too often their achievements were not as well known as those of their male counterparts *Some Liked It Hot* looks at all girl bands and jazz women from the 1920s through the 1950s and how they fit into the nascent mass culture particularly film and television to uncover some of the historical motivations for excluding women from the now firmly established jazz canon This well illustrated book chronicles who appeared where and when in over 80 performances captured in both popular Hollywood productions and in relatively unknown films and television shows As McGee shows these performances reflected complex racial attitudes emerging in American culture during the first half of the twentieth century Her analysis illuminates the heavily mediated representational strategies that jazz women adopted highlighting the role that race played in constituting public performances of various styles of jazz from swing to hot and sweet The International Sweethearts of Rhythm Hazel Scott the Ingenues Peggy Lee and Paul Whiteman are just a few of the performers covered in the book which also includes a detailed filmography
