Journey Back To God

David R. Jain

Journey Back To God:

Journey Back to God Mark S. M. Scott, 2015 *Journey Back to God* explores Origen of Alexandria's creative complex and controversial treatment of the problem of evil. It argues that his layered cosmology functions as a theodicy that explains unjust suffering and shows how that theodicy hinges on the journey of the soul back to God. **The Journey Home** Leonard Holst, 2003-09-17 **My Journey Back to God** Emanuela Willen, 2014-02 To every human their pathway is very important that we can learn to trust Jesus and use the bible as our guide to find our direction. This is a story about my life, abuse and fear, hard work, different relationships, travelling and enjoying many beautiful countries, but the most important part of my life was a choice. My choice was to give my life into Jesus' hands. Through my life I learned to trust and obey Him, and I know that with Him and through Him my heart will be filled with hope and peace. *Journey Back to God* Deondra Wesby, 2015-11-10 This book is about getting back to God. We often times believe that we are so close to Him and doing His will and realize in the long run that we were doing our own will. It is time to lay our will down and pick up the will of God and be about His business. Your desire should be to stay in His presence. Every answer is in His presence. **My Journey Home Study Guide** Rita Carr, 2013-06-04 You Don't Have to Walk Alone The Journey to Happiness: Humanity's Way Back to Eden Douglas W Cho PhD, 2016-11 This is an inspirational guide that provides truthful and straightforward answers to life's most fundamental question: why are mankind unhappy? After over half a decade as a struggling Christian, Dr. Cho has met Jesus Christ in person and came to have a strong desire to share the awakening and understanding on such fundamental questions of life and God with those who are yet struggling and agonizing to find answers. The book is very readable with illustrative pictures and anecdotes both from the Bible and the author's life story. The author hopes the readers find answers in the book, both enlightening and encouraging, so as to want to take the journey going back home to Eden to find true peace and happiness, reconciled with the Creator and now having a purpose and mission in life. Reclaiming My Life: My Journey Back to God Nick Nicholas, 2018-10-10 This book is for those who have experienced any level of fear and insecurity in their lives. My purpose for writing this book is to provide you with the understanding and the tools to master the fear created by the challenges, tragedies, and traumas that are present in your life today. The goal is for you to find peace of mind. Although the message is based on spirituality and our connection with God, it does not promote any particular religion or religious denomination. I believe the tragedies and triumphs I have experienced during my 76 years was God. Journey Back from Ixtlan Bijan Ilyaie, 2012-05-22 Bijan was born in 1961 in Tehran, Iran. Although he was a brilliant student in his early and middle school years, he lost his interest in academic studies to the degree that he quit college twice and returned to the spiritualism and mysticism instead. By the rise of the Islamic regime in 1979 in Iran, his life began to drastically change where it took him to some of the darkest and most unimaginable places and situations he could have ever thought of. Was he eventually able to overcome his challenges? He paid a heavy price to find the answer to this question. Bijan currently lives in

Toronto Canada He is the founder and leader of the Generation 8 an organization reaching out to Iranians all over the world through modern art music and media On the Journey Home Ezekiel Pankey,2025-01-29 The book On the Journey Home recounts the life of an individual who could have been a negative statistic in the reports tracking the lives of many He was born into financial poverty and grew up in a public housing community that presented daily challenges The family s move which was initially welcomed as a positive change did not bring about the self change that was needed and almost led to a disastrous end Escaping to the military was a reprieve that ultimately saved the young man s life However the fast life in the military in a foreign country with streetwise individuals continued to lead him down a path toward destruction It was only upon returning to the States and falling to a level where there was no one to help or call but Jesus that the man s life began to slowly ascend When he married the woman God placed in his life and with a son they both loved his life began to resemble some sense of being normal But even with everything positive happening in his life a home church position and career job everything almost came crashing down It was his faith in God that enabled him to endure His faith in God to deliver and keep him until he arrives at his eternal home was the strength and guide that kept him moving forward on the journey home

My Journey Back from Pornography David R. Jain,2012-08-16 The title of this book says it all a carefully documented journey that took place over the course of forty years being horribly addicted to pornography This book describes in detail the introduction to pornography how it became first and foremost in every aspect of life and the extent of the addiction The single years were totally submerged in pornography but the journey continued through time in the military becoming engaged to be married and producing a child The goal in writing this account is to make this book available to every man and woman who may be experiencing the grip of pornography on their lives and that feel like life is slowly being choked out of them It illustrates that there is an escape available through Jesus Christ and His written word In today s society more than ever people need to be educated about pornography so that they can understand just what it can really do to a life whether a person is young or old In the darkest times of life when a person feels like no one can hear them or cares about what they are going through this book is a reminder that there is a God that hears and cares deeply if a person just simply trusts in Him and lets Him work in their life

The DEVIL'S ADVOCATE: A Spiritual Man's Case Against the LORD God Dr. Alonzo Richard Fleming Jr.,2008-01-31 The Serpent Told the Truth But he is called the Devil And though LORD God admitted to the truth he still cursed all mankind plus GOD s creation Though he is the evil one he is worshipped as a loving God And his children act out of his evil nature universally Dr Alonzo Fleming Jr presents a compelling case against LORD God He is willing to say what everyone is thinking For centuries man has resisted and quieted the voice inside his own head that asks the obvious questions How could God curse his own children and creation then call it love How could he tell everyone else to love their enemies yet he gladly kills his own How could he instruct us to bless and not curse yet he curses Why would God set his children up to die in the first place We challenge the reader to consider what we say in the light of the world s present condition Who is controlling the present world He that blessed or he that cursed Be instructed
