SERVICE MANUAL

CDX-493/593

IMPORTANT NOTICE

This manual has been prepared on the basis of information YAMAHA LTD. possesses and their service personnel. It has been assumed that basic electrical principles referred to are known, and those specifically YAMAHA products are already known and understood by the users, and have therefore not been included.

WARNING: Caution is advised regarding service and safety procedures when servicing this product; any work on internal parts, disconnection of electrical components and removal of the product or parts to be serviced. For these reasons, we advise all YAMAHA products' owners that all service requests should be performed by an authorized YAMAHA dealer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or endorsement of any electrical, mechanical, capabilities, or installation or principle type endorsement of any firm.

The user permission is believed to be necessary and applicable to the extent indicated on the cover. The electrical engineering and service departments of YAMAHA are continuously striving to improve YAMAHA products. Modifications are, therefore, necessary and modifications are subject to change without notice or obligation on the part of YAMAHA. Therefore, the user is advised to consult the distributor's Service Division.

WARNING: Study all changes and service engineering components. This book also clearly identifies your dealer's responsibility to your customer. Send the preceding covered to the printed form in the user's manual (which is not included in this book).

IMPORTANT: Turn the user's manual during disassembly and parts replacement. This book will serve to help you apply power to the unit.
