A Metaphysics for Scientific Realism

Knowing the Unobservable

An abstract geometric diagram composed of dark green lines, circles, and triangles. The diagram features a central point from which several lines radiate outwards. Some lines are straight, while others are curved. There are several small circles and triangles placed at various points along these lines. The overall structure suggests a complex, interconnected system, possibly representing a network or a model of scientific reality. The background of the entire cover is a repeating pattern of small, light green triangles.
