**Playing in the White** Stephanie Li, 2015 The postwar period witnessed an outpouring of white life novels that is texts by African American writers focused almost exclusively on white characters Almost every major mid twentieth century black writer including Zora Neale Hurston Richard Wright Ann Petry and James Baldwin published one of these anomalous texts Controversial since their publication in the 1940s and 50s these novels have since fallen into obscurity given the challenges they pose to traditional conceptions of the African American literary canon Playing in the White Black Writers White Subjects aims to bring these neglected novels back into conversations about the nature of African American literature and the unique expectations imposed upon black texts In a series of nuanced readings Li demonstrates how postwar black novelists were at the forefront of what is now commonly understood as whiteness studies Novels like Hurston's Seraph on

the Suwanee and Wright's *Savage Holiday* once read as abdications of the political imperative of African American literature are revisited with an awareness of how whiteness signifies in multivalent ways that critique America's abiding racial hierarchies. These novels explore how this particular racial construction is freighted with social power and narrative meaning. Whiteness repeatedly figures in these texts as a set of expectations that are nearly impossible to fulfill. By describing characters who continually fail at whiteness, white life novels ask readers to reassess what race means for all Americans. Along with its close analysis of key white life novels, *Playing in the White* by Black Writers also provides important historical context to understand how these texts represented the hopes and anxieties of a newly integrated nation.

**The God of War** Marisa Silver, 2008-04-29 The year is 1978. Ares Ramirez, age 12, lives with his mother Laurel and his younger brother Malcolm in a trailer at the edge of the Salton Sea, an unintentionally man-made body of water in the middle of the Southern California desert. It is a desolate, forgotten place whose inhabitants thrive amidst seemingly impossible circumstances. Where birds fly by day across the desert sky, by night government fighter planes and helicopters make training runs using live ammunition, and an anonymous dead body floats in from the sea. These events inspire Ares on the cusp of his adolescence to enact elaborate fantasies of mortal combat. His membership in a troubled family marks Ares as a casualty of a different kind of war. Malcolm, age 7, is mentally handicapped, and his mother chooses not to do anything about it. Ares struggles with the burden of responsibility to himself and to others, draws him into a world of drugs, violence, and sex that he is not prepared for, launching him into a very personal battle for his own identity, one that has a lethal outcome.

The Warmest December Bernice L. McFadden, 2025-07-01 The long-awaited reissue of McFadden's best-selling second novel, praised by Toni Morrison, USA Today, Washington Post, and others, published simultaneously with McFadden's new novel *Gathering of Waters*. McFadden's reissued second novel takes an unflinching look at the corrosive nature of alcoholism. This is not a story of easy redemption. McFadden writes candidly about the treacherous hold of addiction. Publishers Weekly: Riveting so nicely avoids the sentimentality that swirls around the subject matter. I am as impressed by its structural strength as by the searing and expertly imagined scenes. Toni Morrison, author of *Beloved*: For Kenzie growing up in the Lowe household means opening the bottom drawer of her father's dresser to choose which belt she'll be whipped with that night, furtive trips to the Beehive.

liquor store for her father's vodka and dreaming of the day she can escape apartment 5A Buoyed by the lyrical redemptive voice that characterizes McFadden's writing *The Warmest December* tells the powerful deeply moving story of one Brooklyn family and the alcoholism and abuse that marked the years of their lives Narrated by Kenzie Lowe a young woman reminiscent of Jamaica Kincaid's *Annie John* the story moves fluidly between the past and the present as she visits her dying father and finds that choices she once thought beyond her control are very much hers to make *The Warmest December* is ultimately a cathartic tale of hope healing and forgiveness
