A Million Shades Of Gray:

A Million Shades of Grey Cynthia Kadohata, 2012-12-11 Ever since Tin can remember he's wanted to be an elephant trainer. At twelve years old he's the youngest and in his eyes the best elephant handler in his village. Tin can think of nothing he'd rather do than spend all day with his elephant Lady, looking after her and playing together. But Tin's peaceful idyllic life is changed dramatically when the Viet Cong attack his village and he finds himself held hostage by the terrifying soldiers who don't care if he lives or dies. Can Tin find the courage to escape from his captors and save not only his own life but his precious elephants too? **A Million Shades of Gray** Cynthia Kadohata, 2010 Monstrous: Book One David W.

Wright, 2018-02-20 Is justice worth the price of your soul? After years of struggle, Henry Black finally had it all: a loving family and a thriving career as a comedian. Then in one night it was all ripped away from him when three men murdered his daughter and ended his world. But death isn't the end for Henry. When given the chance to return to his wife, he accepts. Except he's no longer the man he was or even a man at all. To match his sins, Henry's body has been twisted and his mind thrust into darkness. Unable to comfort his suffering wife, Henry uses his newfound supernatural abilities in pursuit of the only goal that matters: VENGEANCE. But the closer he comes to the truth of that fateful night, the more he leaves his humanity behind. Can Henry save himself before it's too late, or will he become truly monstrous? **NOTE:** This book was originally published by 47North under the author names of Sean Platt and David Wright. The new version contains only slight editorial revisions. *Million Shades of Gray* Cynthia Kadohata, 2011-11-01 Y Tin is brave. No one in his village denies that his mother may wish that he'd spend more time on school work than on elephant training, but still she knows that it takes a great deal of courage and calm to deal with elephants the way that Y Tin does. He is almost the best trainer in the village and at twelve years old he's certainly the youngest. Maybe he'll even open up his own school some day to teach other Montagnards how to train wild elephants. That was the plan anyway back before American troops pulled out of the Vietnam War, back before his village became occupied by Viet Cong forces seeking revenge, back before Y Tin watched his life change in a million terrible ways. Now his bravery is truly put to the test: he can stay in his village, held captive by the Viet Cong, or he can risk his life and save his elephants by fleeing into the jungle. The Montagnards know their surroundings well. After all, this is why Y Tin's village had become loyal US allies during the war, having been tapped by Special Forces for their tracking skills and familiarity with the jungle. But that also means that Y Tin knows how unsafe it can be and how much danger he is in if he chooses to head out with no destination in mind. At once heartbreaking and full of hope, Newbery Medal winning author Cynthia Kadohata's exploration into the depth of the jungle and the not-so-distant past brings us close to a world few people know about and none will ever forget. Y Tin's story is one of lasting friendships, desperate choices, and all that we lose when we are forced to change. **LOVE SONGS** Katherine Stone, 2025-02-08 At midnight when he kissed her, Diana trembled at his touch and at her own fears. Was she strong enough for this? She was almost whole again but still quite vulnerable, and he

was just wounded and so very vulnerable too What are you thinking Diana That you re a lonely man and I m a lonely woman
