A Minority And The State Travellers In Britain In The Twentieth Century:

A minority and the state Becky Taylor, 2013-07-19 This is a new paperback edition of Becky Taylor's history of Britain's travelling communities in the twentieth century. It draws together detailed archival research at local and national level to explore the impact of state and legislative developments on Travellers as well as their experience of missions, education, war and welfare. It also covers legal developments affecting Travellers and crucially argues that their history must not be dealt with in isolation but as part of a wider history of British minorities. This book will be of interest to scholars and students concerned with minority groups, the welfare state and the expansion of government as well as general readers and practitioners working with Travellers.

Refugees in Twentieth-Century Britain Becky Taylor, 2021-05-13 A timely history of the entry, reception and resettlement of refugees to Britain across the twentieth century.

Traveller Storytelling in Scotland Robert Fell, 2024-08-19 This book unravels the complexities of traditional storytelling and uses creative analytical techniques to uncover the meanings of the stories we tell. The reader is first acquainted with conceptualisations of how stories make meaning in our lives, then guided through a selection of stories from the rich traditions of Scotland's Traveller and Nawken Nacken communities. Beginning with a nuanced historical overview of the communities, Traveller Storytelling in Scotland: Folklore, Ideology and Cultural Identity then draws on archives, texts and interviews to introduce readers to the unique and vibrant folklore of Scotland's Travellers and Nawken Nacken. It connects ethnology and literary criticism to contextualise folklore and reveal how its ideological priorities underpin cultural identity. Utilising diverse analytical techniques, this book is a timely examination of a folkloric idiom that has until now been sorely in need of further scrutiny. It showcases the sophistication and enduring relevance of folkloric expressions to contemporary Scottish culture.

Travellers through Time Jeremy Harte, 2023-06-17 An accessible history of the Roma people in England told from the inside. The Romany people have been variously portrayed as exotic strangers or as crude, violent, delinquent gypsies. For the first time, this book describes the real history of the Romany in England from the inside. Drawing on new archival and first-hand research, Jeremy Harte vividly describes the itinerant life of the Romany as well as their artistic traditions, unique language and flamboyant ceremonies. Travelers through Time tells the dramatic story of Romany life on the British margins from Tudor times through today, filled with vivid insights into the world of England's large Romany population.

View from the Traveller Site Anna Hoare, 2025-04-24 Traveller-specific architecture in Ireland and permanently temporary sites in the UK embody an insoluble contradiction as systems of control, policing and strategic neglect and as a cultural right, an alternative to housing that recognizes the dignity of choice. View from the Traveller Site explores post-nomadism as an artefact of statecraft in which contradictory processes occur in tandem: legal insecurity persists and state policies have unexpected consequences as sites materialize the countervailing tendencies of post-war European states. At conjunctures of camps, courtrooms, sites and council houses, Irish Travellers generate new architectures and revive old

ones Architecture and the body form distributed fields of analogy and metaphor and are reciprocally constituted as social capacities and sites of personhood and relations Through ethnographic accounts of sites and camps funerary monuments and gift cycles of mares and foals the book reflects on material and performative architectures negotiations of gendered and generational rights and the role of women in encounters between the dead the living and the unborn in camps The author engages with debates in the anthropology of the state property citizenship and the family and offers a new analysis of Travellers concepts of personhood and embodiment as they negotiate the politics and poetics of citizenship kinship and sociality enfolding the settled non Traveller world of sites into the collective bodies of breeds and back breeds This exploration of the productivity of post nomadic architecture culture and sociality will be of particular interest to scholars of anthropology architecture and material and visual culture
