Strauss, 2015-09-25 The Jesus everybody likes says Mark Strauss is not the Jesus

found in the Gospels He preached about hell far more than the apostle Paul He told his followers to hate their families Not one of his twelve apostles was a woman When we unpack these puzzling paradoxes and more we gain greater insight into Jesus countercultural message and mission **Catalogue...authors, Titles, Subjects, and Classes** Brooklyn Public Library,1877 **The Westminster Review** ,1844 **Elgar Encyclopedia of Critical Management Studies** Leo McCann,Ödül Bozkurt,Rachael Finn,Edward Granter,Carolyn Hunter,Nina Kivinen,Arun Kumar,Brian Wierman,2025-04-09 This expansive Encyclopedia provides a detailed overview of Critical Management Studies CMS This exciting and iconoclastic area of research and scholarship has had a major impact on the academic field of business and management studies opening up possibilities for exploring radical and liberatory ideas in the often conservative and technicist realm of business school education Covering many of the substantive areas of CMS such as control and gender and providing reflexive discussions and critiques this Encyclopedia is a vital contribution to this important and unique field *Antisemitic Elements in the Critique of Capitalism in German Culture, 1850-1933* Matthew Lange,2007 This volume examines selected works of German literature from Gustav Freytag to Joseph Goebbels in relation to ethical socio economic and political texts from the economic take off period in the middle of the nineteenth century up to the rise of National Socialism and investigates two aspects of anti Semitic anti capitalistic representations contained therein First it traces how the Jews gained the dubious distinction of being the inventors even embodiment of capitalism and elaborates on negative traits assigned to both of them Second it examines how representations of specifically Jewish capitalists were instrumentalized both to discredit laissez faire and simultaneously to assist in the definition of a specifically German socio economic ethos **Wordsworth in Context** Pauline Fletcher,John Murphy,1992 Essays by several contributors represent a marriage between traditional textual scholarship and issues raised by contemporary theory and criticism Jonathan Wordsworth discusses the making and remaking of *The Prelude* along with other examples of the long poem in English he emphasizes the shifting nature of both the text and the self and questions traditional assumptions about authorial intention and the possibility of producing authoritative texts Pamela Woof brings an awareness of recent developments in feminist theory and gender studies to bear on her exploration of the role of Dorothy Wordsworth in the engendering of her brother s poetry while Jared Curtis uses close textual analysis of a poem that was originally drafted by William revised by Dorothy and published by Coleridge to raise issues of intertextuality and collective authorship Such accommodation between traditional scholarship and contemporary trends is by no means universal and the present volume closes with Helen Vendler s fierce attack on the New Historicism which she sees as hostile to the lyric impulse Academic revolutions as we know can generate violent debate but such debate should surely be welcomed as a guarantee of the continuing vitality of the discipline **BOOK JACKET** Critical reviews, pt. 2 William Makepeace Thackeray,1912 **Chomsky on Miseducation** Noam Chomsky,2004 In this book Chomsky builds a larger understanding of our educational needs starting with the changing role of schools today yet broadening our view toward new models of

public education for citizenship The Ridpath Library of Universal Literature John Clark Ridpath, 1899 *Bolingbroke and His Circle* Isaac Kramnick, 1992 An exploration on Bolingbroke's influence on the politics and literature of the Augustan Age
