A Personal Appreciation Of D A Macfarlane:

A Personal Appreciation of D. A. Macfarlane James Cameron Fraser, 2013-01-31 **Missionary Baptism & Evangelical Unity** J. Cameron Fraser, 2021-10-15 The concept of missionary baptism is based on the household baptism of converts and their families described in the New Testament This is most commonly experienced today in missionary situations when entire families become Christians Building on the work of nineteenth century Scottish theologian William Cunningham this study explores some implications for the connection between believers baptism infant baptism baby dedication and Christian unity particularly among evangelicals **Evangelicals and Abortion** J. Cameron Fraser, 2024-04-18 Evangelicals and Abortion traces the history and theological development of evangelical involvement in the abortion issue and recommends some models of a biblically based response with particular attention to the United States in the wake of the reversal of Roe v Wade in 2022 **The Clifton-Morenci Strike** James R. Kluger, 2016-10-11 The strike that paralyzed the mining camps of Clifton and Morenci during 1915 16 and gained nationwide attention was one of the most remarkable that ever occurred in the West During an era when physical violence death and property destruction were almost accepted elements of Western labor difficulties this walkout was peaceful With few exceptions law and order continually predominated This then is the seldom seen side a positive side to a state s labor history Coming at a time when western labor was purging itself of radicalism and recharting its goals the Clifton Morenci strike may well have been that milestone in organized labor s groping for recognition in the West Violence did not erupt this notable absence of bloodshed thereby making the strike unique in that time of industrial turbulence Kluger s answer to the question of why and how peace prevailed is significant reading Strikers and managers hurled charges at each other but both sides showed restraint when it came to action When negotiations reached an impasse Governor George W P Hunt moved to prevent the managers from importing strike breakers At the same time the Department of Labor entered the situation and the rise in copper prices and loss of wages made a settlement desirable for both sides When the mine whistles blew on January 26 1916 to signal the end of the strike the repercussions of the events of 1915 were still to be felt Author Kluger traces how the strike affected working conditions wages and the cause of unionism in the district Overall he provides insight into feelings concerning the fears of management regarding unionism and labor s manner of making itself heard during these years Western historians labor historians and all those concerned with labor relations will recognize the importance of this highly readable work Cumulated Index Medicus ,1978 *Testimony of Robert C. McFarlane, Gaston J. Sigur, Jr., and Robert W. Owen* United States. Congress. House. Select Committee to Investigate Covert Arms Transactions with Iran, 1987 The McFarlane Legacy R. H. Britnell, A. J. Pollard, 1995 The papers originally delivered at the ninth colloquium of fifteenth century historians explore the major themes of political and constitutional history on which McFarlane wrote Three contributions G L Harriss The Dimensions of Politics Christine Carpenter Political and Constitutional History Before and After McFarlane and A J Gross K B McFarlane and the Determinists

the Fallibilities of the English Kings c 1399 c 1520 look at the wider interpretative framework and reassess McFarlane's influential perception of the character of fifteenth century politics Others take up and explore particular themes upon which his writings touched Anthony Tuck discusses Henry IV's foreign policy I M W Harvey considers whether there was popular politics in fifteenth century England Simon Payling traces the development of marriage contracts Simon Walker examines the reasons why some kings came to be celebrated as popular saints and Linda Clark examines the role of magnates and their affinities in the parliaments of 1386 1421

The Abuse of Innocence Paul Eberle, Shirley Eberle, 1993 The case of the teachers and administrator accused of child abuse at the McMartin Preschool is horrifying whether the allegations were true or false some people children or adults were terribly wronged Reporters Eberle and Eberle were at the trial and they see the accused as the victims Quoting heavily from the transcripts with substantial interjection of their own interpretation they depict gross mishandling of the children's testimony by people trying to build a case where there was none Annotation copyright by Book News Inc Portland OR
