A Priest In The Home:

A Priest in the Home James Michael Doyle, 2001-01-03 This book is designed for the instruction and encouragement of men to be the leaders in their homes in both spiritual and physical matters If men will fulfill their responsibilities as spiritual leaders in their homes the world and the church would see an immediate revival of Gods Spirit This book will show them why they should and how to begin Chapter 1 gives a brief history of the Old Testament priesthood and why God originally established it Uniquely sets the stage for our New Testament priestly duties Chapter 2 explains the rituals followed in ordaining and consecrating the priests under the Old Covenant and relates these to our New Covenant consecration Chapter 3 explains what the daily sacrifice was and why it had to be performed and relates it to our daily sacrifice today of prayer both morning and evening Chapter 4 discusses Joshuas declaration of his entire households dedication in service to the Lord and explains the importance of our making that same declaration today Chapter 5 explains the five main offerings instituted by God sin offering trespass offering burnt offering grain offering and fellowship offering and translates those into our New Testament spiritual sacrifices today Chapter 6 describes how God is more pleased with our obedience than the sacrifices which were set up to atone for our disobedience in the first place Chapter 7 shows what kind of unselfish unconditional love God expects husbands to have for their wives with a unique tie in to Scripture Chapter 8 encourages men to exercise godly dominion over every circumstance in their lives by living by faith Chapter 9 describes the spiritual warfare Satan wages against every Christian and how men as priests in their homes can protect themselves and their families Chapter 10 focuses on one particular evil spirit which is the greatest threat to the priesthood in the home and the church and shows how to identify it and pull down its stronghold Chapter 11 explains the spiritual significance and the power released by standing firm in your faith in the face of every obstacle to your spiritual walk It leaves men with the encouragement to do everything they have learned in this book and then just stand on Gods promises that He will order the steps of a righteous man

Hoge, Aniedi Okure, 2006 Foreign born priests have always played a significant role in America Only from 1940 to 1960 did the church produce enough native born priests to serve its parishes In the past those priests usually came from Europe most notably Ireland In the future most of the world will be served by priests from Asia Africa and Latin America particularly India and Nigeria Sixteen percent of the priests serving in the United States since 1985 are foreign born and the number is rising But many Americans prefer not to have them in their churches saying the language and cultural differences are too great and the screening isn't sufficient International Priests in America studies this phenomenon from the perspective of parishioners lay ministers diocesan leaders and priests This groundbreaking book is guided by two questions Should the
