A Safe Haven Harry S Truman And The Founding Of Israel:

A Safe Haven Allis Radosh, Ronald Radosh, 2009-05-12 This revelatory account of Truman's vital contributions to Israel's founding is told with an elegance informed by thorough research Wall Street Journal Even knowing how the story ends A Safe Haven had me sitting on the edge of my seat Cokie Roberts A dramatic detailed account of the events leading up to the creation of a Jewish homeland and the true story behind President Harry S Truman's controversial decision to recognize of the State of Israel in 1948 drawn from Truman's long lost diary entries and other previously unused archival materials **A**

Companion to Harry S. Truman Daniel S. Margolies, 2012-07-30 With contributions from the most accomplished scholars in the field this fascinating companion to one of America's pivotal presidents assesses Harry S Truman as a historical figure politician president and strategist Assembles many of the top historians in their fields who assess critical aspects of the Truman presidency Provides new approaches to the historiography of Truman and his policies Features a variety of historiographic methodologies **FDR and the Jews** Richard Breitman, Allan J. Lichtman, 2013-03-19 A contentious debate

lingers over whether Franklin Delano Roosevelt turned his back on the Jews of Hitler's Europe FDR and the Jews reveals a concerned leader whose efforts on behalf of Jews were far greater than those of any other world figure but whose moral leadership was tempered by the political realities of depression and war **A History of the Arab-Israeli Conflict** Ian J. Bickerton, Carla L. Klausner, 2022-07-05 Comprehensive and analytical A History of the Arab Israeli Conflict presents a balanced and impartial overview of this centuries old struggle Taking a clear and chronological approach to this complex subject and placing events in the context of their longer term histories Ian J Bickerton and Carla L Klausner examine the issues and themes that have characterized and defined the conflict over the course of its history bringing the coverage up to date with a twenty first century perspective Starting in the nineteenth century the book moves through the British Mandate World War II and the proclamation of the state of Israel the widening and deepening conflict and attempts at a peace process the impacts of 9 11 and the Arab Spring and finally it discusses events to the end of 2021 In a completely revised Conclusion the authors examine how we interpret many of the startling rapidly changing and somewhat unpredictable events of the last five years Illustrated throughout with numerous photographs updated maps tables and chronologies for each chapter together with extensive relevant and up to date documentary sources further reading and a glossary of key terms it is the ideal textbook for all students of the history of the modern Middle East **UNSCOP and the Arab-Israeli Conflict** Elad

Ben-Dror, 2022-11-22 This book provides the first comprehensive account of the work of the United Nations Special Committee on Palestine UNSCOP constituted by the United Nations General Assembly in 1947 to study the situation in Palestine at the end of the British Mandate and make recommendations about its political future Utilizing a wealth of archival documentation some of it never before studied Elad Ben Dror explores the various aspects of UNSCOP's activity to understand how it came to determine the fate of the country's inhabitants The book analyzes the methods and motivations of

the various members with special attention given to the personal viewpoint of each member of the committee Through this Ben Dror shows that the partition recommendation emerged after a long process of study debate and compromise that was very much dependent on the characters and circumstances of the individual members of the committee UNSCOP and the Arab Israeli Conflict will be a key text in understanding the role of UNSCOP in shaping the modern Middle East It will be appropriate for scholars and students of political science Palestine and Israeli history the Arab Israeli conflict the UN and diplomacy and conflict resolution

U.S. Defense Policy toward Israel Daniel J. Samet, 2025-04-16 This book examines U S defense policy toward Israel during the Cold War emphasizing arms sales intelligence sharing and other security cooperation It argues that strategic interests drove American policy with other considerations such as domestic politics and shared liberal values mattering far less It begins with the presidency of John F Kennedy and ends with the presidency of George H W Bush with a particular focus on government officials presidents secretaries of state secretaries of defense national security advisors other administration officials and senators and Congressmen The book explores the primacy of security as American officials feared nuclear proliferation regional war and a cut off of oil supplies All the while tensions and often bitter disagreements in the U S Israel relationship abounded over what to do about threats in the Middle East This volume will be of interest to those studying American relations with the rest of the Middle East and U S security partnerships around the world

Ralph Bunche and the Arab-Israeli Conflict Elad Ben-Dror, 2015-09-16 I swear by all that s Holy I will never come anywhere near the Palestine problem once I liberate myself from this trap Ralph Bunche wrote these lines to his wife in 1949 during the armistice talks on Rhodes A year later he was awarded the Nobel Peace Prize for his success in ending the 1948 Arab Israeli war Ralph Bunche and the Arab Israeli Conflict provides a comprehensive study of Ralph Bunche s diplomatic activities on the Palestine question Bunche was at the centre of the story from the referral of the issue to the United Nations in 1947 until the signing of the armistice agreements that ended the war He began as advisor to UNSCOP and then headed the secretariat of the commission tasked with implementing partition Later after serving as the senior aide to UN mediator Folke Bernadotte he was appointed to replace the Count after the latter s assassination Using extensive archival materials some of it revealed here for the first time this book addresses central questions such as the relationship between Bunche s African American identity and his diplomatic endeavours and the complexities of his outlook on the Arab Israeli conflict Through research and careful analysis it uncovers how Ralph Bunche managed to bridge the gaps between Israel and Arab states This book will be of interest to students and scholars of Middle Eastern History particularly Israeli History as well as Political Science and Diplomacy

Israel's Armor Walter L. Hixson, 2019-04-11 Israel s Armor provides a foundational history of the Israel lobby and its influence on American foreign policy

Truman's Triumphs Andrew E. Busch, 2012-10-23 The Chicago Tribune headline DEWEY DEFEATS TRUMAN

remains infamously wrong about the outcome of the 1948 presidential election But as Andrew Busch reveals there is much more to this story than the well worn image of a victorious and beaming President Harry Truman parading the newspaper's erroneously headlined front page for all to see Primarily a contest between Truman and challenger Thomas Dewey the 1948 presidential race offered something for everyone including two third party candidates Strom Thurmond and Henry Wallace triumphant grit tragic hubris dangerous naiveté accidents of fate accusations of betrayal foreign crises the birth of Israel in the Middle East a dramatic special session of Congress internecine battles among unions and liberals spies extremists galore including Ku Klux Klansmen and Communists the first televised convention wayward polls and of course a final result that surprised many Amid a small library of books on the topic Busch's stands out by offering the best scholarly study available and the most readable His fresh account goes beyond previous work by examining more closely the nomination season key congressional elections and the state of public opinion He also digs into splits in both parties the Democrats seeing Southern segregationists and the far left run their own candidates and the Republicans facing a division between philosophical wings representing the 80th Congress and the presidential ticket and tells why the Republican schism proved more damaging He concludes that the election was especially significant as an affirmation of the New Deal of anti Communist containment and of gradual progress in civil rights all of which established the political baseline for postwar America Even readers knowledgeable about Truman's 1948 victory will discover new findings in this fresh and revealing account of that dramatic race Truman's Triumphs recalls a contest with more twists and turns and a different outcome than most contemporaries anticipated and makes engaging reading for scholar and history buff alike

Commentary Eli L. Garfinkel, 2021-06 A unique four part commentary on the Jewish heritage The JPS Jewish Heritage Torah Commentary orbits each Torah portion through four central pillars of Jewish life the Torah land people and thought illuminating how they enrich one another

Were the Popes Against the Jews? Justus George Lawler, 2012-01-31 How many people know that a modern pope publicly referred to Jews as dogs that two other modern popes called the Jewish religion Satan's synagogue that at the beginning of the twentieth century another pope refused to save the life of a Jew accused of ritual murder even though the pope knew the man was innocent Lastly how many people know that only a decade before the rise of Hitler another pope supported priests who called for the extermination of all the Jews in the world The answer has to be great numbers of people since those accusations appeared in David I Kertzer's The Popes Against the Jews 2001 a book which had been lauded in major journals and newspapers in the U S and the U K and which by 2006 had been translated into nine foreign languages while Kertzer himself according to his Website had become America's foremost expert on the modern history of the Vatican's relations with the Jews It is thus undeniable that very many people in very many countries have heard of the appalling misdeeds and misstatements mentioned above even though in fact not one of them was ever perpetrated by any pope But Were the Popes Against the Jews is not only about the disclosure of these shocking

slanders however fascinating and important such an expos is In the broader perspective it is about the power of ideology to subvert historical judgments whether the latter concern the origins of anti-Semitism and the papacy the distortion of documents to indict Pius XII or the fabrication of Pius XI as codependent collaborator with Mussolini the announced subject of Kertzer's next book Justus George Lawler's confrontation with ideologues will gratify all who are seeking not triumph over opponents but peace and justice for all

Undeclared Wars with Israel Jeffrey Herf, 2016-05-03 This book examines antagonism to Israel by East and West Germany from the Six Day War through the Cold War

Israel: Is It Good for the Jews? Richard M. Cohen, 2014-09-16 A very personal journey through Jewish history and Richard Cohen's own and a passionate defense of Israel's legitimacy Richard Cohen's book is part reportage part memoir an intimate journey through the history of Europe's Jews culminating in the establishment of Israel A veteran syndicated columnist for The Washington Post Cohen began this journey as a skeptic wondering in a national column whether the creation of a Jewish State was a mistake As he recounts he delved into his own and Jewish history and fell in love with the story of the Jews and Israel a twice promised land in the Bible by God and by the world to the remnants of Europe's Jews This promise he writes was made in atonement not just for the Holocaust but for the callous indifference that preceded World War II and followed it and that still threatens Cohen's account is full of stories from the nineteenth century figures who imagined a Zionist country including Theodore Herzl who thought it might resemble Vienna with its cafes and music to what happened in twentieth century Poland to his own relatives and to stories of his American boyhood Cohen describes his relationship with Israel as a sort of marriage one does not always get along but one is faithful

The Case for Zionism Thomas Ice, 2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day

Jews and the Left P. Mendes, 2014-05-20 The historical involvement of Jews in the political Left is well known but far less attention has been paid to the political and ideological factors which attracted Jews to the Left After the Holocaust and the creation of Israel many lost their faith in universalistic solutions yet lingering links between Jews and the Left continue to exist

The World Facing Israel, Israel Facing the World Alfred Wittstock, 2011-01-01 Papers presented at meetings held May 2010 in Rhineland Palatinate

Independence and Politics Meir Chazan, 2024-04-02 Independence and Politics delves deeply into the political landscape of Israel during the years 1947 1949 Weaving together a wealth of original sources and emphasizing domestic politics Meir Chazan offers a comprehensive analysis of the critical factors that contributed to the establishment and early governance of the State of Israel Chazan explores the formation of governing institutions in the transition from a voluntary society to typical patterns of statehood He investigates the shocks that led to these institutions formation and the critical decision to declare statehood Additionally he provides a detailed account of the election campaign for the Constituent Assembly which was the forerunner of the First Knesset and the struggle to attain the United States de facto and de jure recognition of Israel Insightful and informative Independence and Politics provides a fresh perspective on the establishment of the State of Israel Chazan's analysis and expert commentary offer an unparalleled understanding of the

challenges faced by the fledgling state and the decisions that shaped its future The Star and the Scepter Emmanuel Navon, 2020-11 The first all encompassing book on Israel's foreign policy and the diplomatic history of the Jewish people The Star and the Scepter retraces and explains the interactions of Jews with other nations from the ancient kingdoms of Israel to modernity Starting with the Hebrew Bible Emmanuel Navon argues that one cannot grasp Israel's interactions with the world without understanding how Judaism's founding document has shaped the Jewish psyche He sheds light on the people of Israel's foreign policy through the ages the ancient kingdoms of Israel Jewish diasporas in Europe from the Middle Ages to the emancipation the emerging nineteenth century Zionist movement and Zionist diplomacy following World War I and surrounding World War II Navon elucidates Israel's foreign policy from the birth of the state in 1948 to our days the dilemmas and choices at the beginning of the Cold War Israel's attempts to establish periphery alliances the Arab Israeli conflict Israel's relations with Europe the United States Russia Asia Africa Latin America the United Nations and the Jewish diasporas and how twenty first century energy geopolitics is transforming Israel's foreign relations today Navon's analysis is rooted in two central ideas represented by the Star of David faith and the scepter political power First he contends that the interactions of Jews with the world have always been best served by combining faith with pragmatism Second Navon shows how the state of Israel owes its diplomatic achievements to national assertiveness and hard power not only military strength but economic prowess and technological innovation Demonstrating that diplomacy is a balancing act between ideals and realpolitik The Star and the Scepter draws aspirational and pragmatic lessons from Israel's exceptional diplomatic history
