A Pocket History Of Scotland:

A Pocket History of Scotland Blair Millar, 2013 From prehistoric times to the present day this comprehensive history presents the story of Scotland in bite size chunks With full colour illustrations throughout this is an attractive and practical guide to Scotland s colourful history Encompassing stories of some of Scotland s best known characters as well as key moments in Scotland s past this pocket history recalls the country s struggles through dark times its successes its people and places The wealth of Scottish culture and tradition is described as well as the key events and people that have shaped the country today Based on the bestselling Pocket History of Ireland 32 000 copies sold since publication in 2010 this book promises to repeat the bestselling formula for the Scottish market *Pocket History of Scotland* ,2004 **Pocket History of Scotland** James Mackay, 2004-03-01 Pocket History of Scotland David Ross, 2002 This original concisely written history of Scotland charts the long painful sometimes tragic often inspiring process that has formed the Scottish people of today Fully indexed it is the ideal reference book for anyone with an interest in the social and historical development of Scotland **The Lomond Pocket History of Scotland** David Ross, 1995 *a history of scotland* Robert S. Till His Accession to the Throne of England* William Robertson, 1806 **Scottish History** History Episode, 2021-11-28 Scottish History Fascinating History of Scotland From Beginning to the End A sense of poetic irony registers when one learns that Scotland has never won a major military battle when the odds were in their favor 1 In 1513 the largest Scottish army to ever invade England was defeated by a significantly smaller English army at Flodden Field In only two hours the Scots lost ten thousand men History repeated itself in 1542 when a Scottish army of 15 000 men was defeated by only 3 000 English soldiers Despite their much smaller numbers the English managed to take 1 200 Scottish men as prisoners This humiliating defeat eventually contributed to the demise of King James V The massive global success of Braveheart Mel Gibson s Oscar winning blockbuster epic medieval war film has helped perpetuate a seductive image of the Scottish as being valiant underdogs possessors of a brand of earthly pride that serve them well in conflicts with their more powerful southern neighbor Historical facts do corroborate this impression When they were pitted against English forces that easily outranked them in numbers and technological sophistication the Scottish prevailed William Wallace s victory at the Battle of Stirling Bridge in 1297 is probably the best example of Scottish resilience against the odds Robert the Bruce has a similar claim to fame with the Battle of Bannockburn seventeen years later when his men defeated an English army that was
