PETER MALANCZUK

A Modern Introduction To International Law

James R. Crawford

A Modern Introduction To International Law:

Akehurst's Modern Introduction to International Law Peter Malanczuk, 1997 12 The law of the sea *Akehurst's Modern Introduction to International Law* Alexander Orakhelashvili, 2018-12-07 *Akehurst's Modern Introduction to International Law* continues to offer a concise and accessible overview of the concepts themes and issues central to international law This fully updated eighth edition encompasses the plethora of recent developments and updates in the field and includes new dedicated chapters on international human rights self determination and international economic relations an extended history and theory section reflecting the evolution of new and critical approaches in the field and a greater focus on terrorism and international criminal law New and updated chapters include Creation and recognition of States Territory Law of the sea Immunities State succession Nationality and individual rights Protection of the environment Settlement of disputes Use of force and armed conflict With a distinctive cross jurisdictional approach which opens up the discipline to students from all backgrounds this book will arm the reader with all the tools methods and concepts they need to fully understand this complex and diverse subject As such this is an essential text for students of international law government and politics international relations and a multitude of related subject areas This textbook is supported by a companion website www.routledge.com/cw/orakhelashvili ***Akehurst's Modern Introduction to International Law*** Peter Malanczuk, 2002-04-12 First published in 2002 Routledge is an imprint of Taylor Francis an informa company ***A Modern Introduction to International Law*** Michael Barton Akehurst, 1991 *A Modern Introduction to International Law* Michael Barton Akehurst, 1984

Akehurst's Modern Introduction to International Law Peter Malanczuk, 1997 *Non-Governmental Organisations in International Law* Anna-Karin Lindblom, 2005 Even when governments have no democratic basis they are regarded as the sole representatives of their populations on the international plane and take important decisions on their behalf It is therefore important that other voices can be heard in international fora alongside governments NGOs have an increasingly important legal and political role and use several different avenues for their work such as lodging cases before international courts and other bodies and participating in international meetings and conferences This book explores these possibilities for the participation of NGOs in international law ***A Modern Introduction to International Law, By Michael Akehurst*** Michael Barton Akehurst, 1970 *Reciprocity in International Law* Shahrads Nasrolahi Fard, 2015-12-22 In international relations reciprocity describes an environment in which States support one another for short or long term advantage through the balancing of rights duties and interests This book examines reciprocity in the context of international law It considers the role reciprocity plays in the creation and development of international law as well as in the interpretation and application of international law The book illuminates the reciprocal framework of international law and international relations by examining the role reciprocity plays in different types of States obligations including bilateral bilateralisable multilateral non bilateralisable multilateral and obligations erga omnes The book examines how reciprocity is intertwined with the principle of

equality as the rights and obligations of States are equal irrespective of size and economic or military strength and the beneficial effects of reciprocity in creating stability and cooperation amongst States Indirect Expropriation in International Law Sebastián López Escarcena,2014-02-28 When does a state measure become subject to compensation as an indirect expropriation under international law The author examines claims of indirect takings from such fora as the Iran United States Claims Tribunal the European Court of Human Rights and arbitral panels in investment treaty arbitrations

Understanding International Law Conway W. Henderson,2009-11-25 Understanding International Law presents a comprehensive accessible introduction to the various aspects of international law while addressing its interrelationship with world politics Presents well organized balanced coverage of all aspects of international law Features an accompanying website with direct access to court cases and study and discussion questions Visit the site at <http://www.wiley.com/go/internationallaw> Includes discussion of the efficacy of international law a topic unique among international law texts Offers discussion of other topics that most texts do not address such as complete chapters on making the world safer human rights the environment and the world economy Armenian History and the Question of Genocide M. Gunter,2011-05-09 An analysis of the Turkish position regarding the Armenian claims of genocide during World War I and the continuing debate over this issue the author offers an equal examination of each side's historical position The book asks what is genocide and illustrates that although this is a useful concept to describe such evil events as the Jewish Holocaust in World War II and Rwanda in the 1990s the term has also been overused misused and therefore trivialized by many different groups seeking to demonize their antagonists and win sympathetic approbation for them The author includes the Armenians in this category because although as many as 600 000 of them died during World War I it was neither a premeditated policy perpetrated by the Ottoman Turkish government nor an event unilaterally implemented without cause Of course in no way does this excuse the horrible excesses committed by the Turks **The Authority of International Law** Başak Cali,2015 The question of the authority of international law over domestic authorities and the duties of state officials to international law are fundamental concerns in international legal theory and practice The Authority of International Law Obedience Respect and Rebuttal addresses these concerns by reframing the present accounts of authority in international law construing its authority as imposing three different layers of duties on domestic officials the duty to obey the duty to respect and the duty to rebut The book provides an original interpretation of this authority one that is not tied to prior state consent or domestic constitutional frameworks It offers a nuanced account arguing that whether or not international law is obeyed within any given situation depends on the type of duty it imposes on the state and that duty's normative force There is no strict framework in which international law always trumps domestic law or vice versa Instead Cali presents a realistic account of when international law has absolute authority and when it can afford a margin of appreciation to states The Authority of International Law contributes to existing debates by considering the gap between consent based jurisprudential

theories of authority and self interest and identity based theories of compliance and by considering monism dualism and normative pluralism as theories for addressing authority competition between domestic legal orders and international law

General Principles for Business and Human Rights in International Law Ludovica Chiussi Curzi,2020-10-26 In General Principles for Business and Human Rights in International Law Ludovica Chiussi Curzi offers an overview of the relevance of general principles of law in the multifaceted discourse on business and human rights What are the implications of the state duty to protect human rights in good faith and to guarantee victims of corporate human rights violations access to justice Can general principles of law such as abuse of rights due diligence and estoppel provide a source of obligations for companies that is relevant to human rights protection Has an autonomous principle on corporate liability developed in international law These are the questions at the core of this monograph which seeks the answers in the normative foundations of public international law

The Business and Human Rights Landscape Jena Martin,Karen E. Bravo,2016 This is the first book offering a comprehensive historical and contemporary analysis of the emerging business and human rights field

Peacebuilding in the African Union Abou Jeng,2012-08-02 Particularly in the context of internal conflicts international law is frequently unable to create and sustain frameworks for peace in Africa In *Peacebuilding in the African Union* Abou Jeng explores the factors which have prevented such steps forward in the interaction between the international legal order and postcolonial Africa In the first work of its kind Jeng considers whether these limitations necessitate recasting the existing conceptual structure and whether the Constitutive Act of the African Union provides exactly this opportunity through its integrated peace and security framework Through the case studies of Burundi and Somalia Jeng examines the structures and philosophy of the African Union and assesses the capacity of its practices in peacemaking In so doing this book will be of great practical value to scholars and legal practitioners alike

International Law and Business Bart Wernaart,2024-07-22 This book introduces law in the context of international business The basics of law are explored using a clear comparative methodology International and regional economic institutions are discussed next to the fundamentals of private law These include contract law liability law labour law company law privacy law intellectual property law and international private law The book goes beyond the usual focus on Western legal systems and uses examples from all over the world to provide students with comprehensive knowledge of business law It is set up rather broadly so that it can be used by teachers throughout their entire curriculum Each chapter ends with a clear summary With its colourful cases this book is accessible and fun to read

Teaching International Law Jean-Pierre Gauci,Barrie Sander,2024-06-26 The practice of teaching international law is conducted in a wide range of contexts across the world by a host of different actors including scholars practitioners civil society groups governments and international organisations This collection brings together a diversity of scholars and practitioners to share their experiences and critically reflect on current practices of teaching international law across different contexts traditions and perspectives to develop existing conversations and spark fresh ones

concerning teaching practices within the field of international law Reflecting on the responsibilities of teachers of international law to engage with and confront histories contemporary crises and everyday events in their teaching the collection explores efforts to decenter the teacher and the law in the classroom opportunities for dialogical and critical approaches to teaching and the possibilities of co producing non conventional pedagogies that question the mainstream underpinnings of international law teaching Focusing on the tools and techniques used to teach international law to date the collection examines the teaching of international law in different contexts Traversing a range of domestic and regional contexts around the world the book offers insights into both the culture of teaching in particular domestic settings as well as the structural challenges and obstacles that arise in terms of who what and how international law is taught in practice Offering a unique window into the personal experiences of a diversity of scholars and practitioners from around the world this collection aims to nurture conversations about the responsibilities approaches opportunities and challenges of teaching international law

Non-Governmental Organisations and International Law Prahlad Rai, 2024-08-27 This book explores how non governmental organizations NGOs with their sphere of influence within the State and beyond enrich the international community by working on critical areas affecting people s lives and expectations to facilitate a more humanising international law It provides ideas highlights issues and identifies actors actions and the scope of NGOs in international law It charts possibilities and limitations of NGOs within the legal framework of a State and its evolution over the years The book highlights how NGOs having obtained consultative status from the UN Economic and Social Council have now extended their access and area of influence to international actors like inter governmental organisations international courts and tribunals It provides an overview of NGO s performance and the important role they play in the making of human rights protection of environment and business ethics The book is primarily doctrinal containing case studies of important NGOs The purview is an inquiry analysis and overview of literature of NGOs in international law from a wide range of sources The book will help shape the debate over power and functions of NGOs in the background of new loci of NGOs work It is useful for students research scholars the NGO community corporations CSR departments and concerned governmental agencies Additionally being interdisciplinary in nature it caters to the demands of politics sociology management public policy and social work apart from law

The Creation of States in International Law James R. Crawford, 2007-03-15 Statehood in the early 21st century remains as much a central problem as it was in 1979 when the first edition of *The Creation of States in International Law* was published As Rhodesia Namibia the South African Homelands and Taiwan then were subjects of acute concern today governments international organizations and other institutions are seized of such matters as the membership of Cyprus in the European Union application of the Geneva Conventions to Afghanistan a final settlement for Kosovo and still relations between China and Taiwan All of these and many other disputed situations are inseparable from the nature of statehood and its application in practice The remarkable increase in the number of States in the 20th century did not abate in the twenty

five years following publication of James Crawford's landmark study which was awarded the American Society of International Law Prize for Creative Scholarship in 1981. The independence of many small territories comprising the residue of the European colonial empires alone accounts for a major increase in States since 1979 while the disintegration of Yugoslavia and the USSR in the early 1990s further augmented the ranks. With these developments the practice of States and international organizations has developed by substantial measure in respect of self-determination, secession, succession, recognition, decolonization and several other fields. Addressing such questions as the unification of Germany, the status of Israel and Palestine and the continuing pressure from non-State groups to attain statehood even in cases like Chechnya or Tibet against the presumptive rights of existing States, James Crawford discusses the relation between statehood and recognition, the criteria for statehood especially in view of evolving standards of democracy and human rights and the application of such criteria in international organizations and between states. Also discussed are the mechanisms by which states have been created including devolution and secession, international disposition by major powers or international organizations and the institutions established for Mandated Trust and Non-Self-Governing Territories. Combining a general argument as to the normative significance of statehood with analysis of numerous specific cases, this fully revised and expanded second edition gives a comprehensive account of the developments which have led to the birth of so many new states.

Unveiling the Magic of Words: A Overview of "**A Modern Introduction To International Law**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. A Modern Introduction To International Law Introduction

In today's digital age, the availability of A Modern Introduction To International Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Modern Introduction To International Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Modern Introduction To International Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Modern Introduction To International Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, A Modern Introduction To International Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Modern Introduction To International Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Modern Introduction To International Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a

non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Modern Introduction To International Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Modern Introduction To International Law books and manuals for download and embark on your journey of knowledge?

FAQs About A Modern Introduction To International Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Modern Introduction To International Law is one of the best book in our library for free trial. We provide copy of A Modern Introduction To International Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Modern Introduction To International Law. Where to download A Modern Introduction To International Law online for free? Are you looking for A Modern Introduction To International Law PDF? This is definitely going to save you time and cash in
