A Peaceable Hope Contesting Violent Eschatology In New Testament Narratives:

A Peaceable Hope David J Neville, 2013-02-15 In the New Testament texts there is significant tension between Jesus's nonviolent mission and message and the apparent violence attributed to God and God's agents at the anticipated end David Neville challenges the ready association between New Testament eschatology and retributive vengeance on christological and canonical grounds He explores the narrative sections of the New Testament the Gospels Acts and Revelation with a view to developing a peaceable as opposed to retributive understanding of New Testament eschatology Neville shows that for every narrative text in the New Testament that anticipates a vehement eschatology another promotes a largely peaceable eschatology This work furthers the growing discussion of violence and the doctrine of the atonement [A Peaceable Hope](#) David J. Neville, 2014-05-14 A biblical scholar challenges the ready association between New Testament eschatology and retributive vengeance in light of Jesus's nonviolent mission and message *The Suffering Son of David in Matthew's Passion Narrative* Nathan C. Johnson, 2023-11-23 In this book Nathan C Johnson offers the first full scale study of David traditions in the Gospel of Matthew's story of Jesus's death He offers a solution to the tension between Matthew's assertion that Jesus is the Davidic messiah and his humiliating death To convince readers of his claim that Jesus was the Davidic messiah Matthew would have to bridge the gap between messianic status and disgraceful execution Johnson's proposed solution to this conundrum is widely overlooked yet refreshingly simple He shows how Matthew makes his case for Jesus as the Davidic messiah in the passion narrative by alluding to texts in which David too suffered Matthew thereby participates in a common intertextual Jewish approach to messianism Indeed by alluding to suffering David texts Matthew attempts to turn the tables of the problem of a crucified messiah by portraying Jesus as the Davidic messiah not despite but because of his suffering

Jesus and His Promised Second Coming Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus's second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus's second coming was invented by his zealous early followers In *Jesus and His Promised Second Coming* Tucker S Ferda challenges this critical consensus Using innovative methodology Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus's own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus's early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute Jesus and

His Promised Second Coming breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students and scholars of the New Testament will need to read and engage with Ferda s provocative argument

The Death of the Messiah and the Birth of the New Covenant Michael J. Gorman,2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement over emphasize the penultimate purposes of Jesus death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit filled people of God The New Testament s various atonement metaphors are part of a remarkably coherent picture of Jesus death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient

model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us Narrative Discipleship Jeffrey W. Aernie,2018-07-26 Narrative Discipleship examines the thematic and theological impact of women in the Gospel of Mark Using narrative analysis Aernie explores how Mark intentionally crafts the narratives of women in the Gospel to extend his portrait of discipleship Mark portrays these women as exemplars of four key aspects of discipleship restored life kingdom speech sacrificial action and cruciformity These portraits of discipleship provide a transformative paradigm for Mark s audience Mark creates a portrait of narrative discipleship as a means to encourage his audience toward embodied discipleship and faithful participation in God s in breaking kingdom **The Vehement Jesus** David J. Neville,2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that at face value challenge the conviction that the mission and message of Jesus were peaceful Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom the author makes the case that Gospel portrayals of the vehement Jesus are compatible with perhaps even indispensable to the composite canonical portrait of Jesus as the Messiah of Peace As a result this exploration in New Testament theology and ethics makes an invaluable contribution to the crucial conversation about the role of Jesus life and teaching in Christian reflection on the morality of violence today John Willard M. Swartley,2013-03-14 The gospel of John s from above orientation transforms our human from below assumptions and habits It draws us into union with God and into unity with one another It communicates who Jesus is in both intimate and profound dimensions The book of John shapes Christian identity invigorates worship and implants eternal hope John s gospel defies description marvels Swartley professor emeritus at Anabaptist Mennonite Biblical Seminary It soars like the eagle links heaven and earth and both comforts and convicts the human heart Its Christology is rich with a plethora of titles for Jesus even the divine eternal I AM Though commentaries on the book of John abound this volume follows the unique Believers Church Bible Commentary Series format providing sections on The Text in Biblical Context and The Text in the Life of the Church According to Swartley this format serves well the interests of seminary as well as other graduate students and pastors especially Volume 26 in the Believers Church Bible Commentary series Free downloadable supplement available here Faith Seeking Understanding, Fourth ed. Disarming the Church Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in

Harker, Janeen Bertsche Johnson, 2016-01-28 For many of us the connection between the ecological crisis and humanity s detachment from the land is becoming increasingly clear In biblical terms adam humanity has severed itself from the adamah soil and we creation are reaping the consequences This collection of essays and the conference from which it took shape calls the church to root itself more deeply in the agrarian biblical text and ecclesial tradition in order to remember and freshly imagine ways of living on and with the land that are restorative reconciling and faithful to the triune God s invitation to new life in Christ When we listen attentively to and patiently learn from the biblical text church history and theology the land itself can become a conversation partner and we are summoned to recognize that the gospel is reserved not simply for humanity but for the whole of creation **The Irony of Power** Dorothy Jean Weaver, 2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew s version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew s narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God s eye reading of Matthew s narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew s narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives **Philippians** Gordon Zerbe, 2016-11-01 What if rather than only reading Philippians we allowed Philippians to read us In this 31st volume in the Believers Church Bible Commentary series New Testament scholar Gordon Zerbe challenges readers to allow Paul s prison

letter to interpret our own lives not by extracting lessons out of historical and cultural context but by imagining ourselves into the ancient Roman world and back again A Revolutionary Jesus Jesse P. Nickel, 2024-09-24 This book is about Jesus's perspective on violence the ways this is demonstrated in his ministry and its implications for Jesus's followers It begins by examining the nature and role of violence within Second Temple Jewish eschatology Eschatological violence violence connected in some way with eschatological expectations was an important factor in the world of Jesus and his contemporaries Many believed that God's long awaited deliverance was contingent on his people's taking up the sword against their oppressors thus demonstrating their zealous allegiance to the covenant In contrast Jesus articulated and enacted a vision for God's reign in which violence was completely disassociated both from the means of the kingdom's inauguration and from the character of those who belonged to it This was a kingdom defined by peace whose people would be identified by peacemaking exemplified by its Lord whose victory was accomplished in giving his own life Jesus's rejection of violence thus grew from the very core of his understanding of his task his identity and the character of the kingdom To be a disciple is to follow Jesus's teaching and example Therefore it is clear that violence should have no place in Christian praxis
