Small,National Council of Teachers of English. Committee on the Senior High School Booklist,1982 The books listed in this annotated bibliography selected to provide pleasurable reading for high school students are arranged alphabetically by author under 35 main categories 1 adventure and adventurers 2 animals 3 art and architecture 4 biography 5 careers and people on the job 6 cars and airplanes 7 great books that are unusual 8 drama 9 ecology 10 essays 11 ethnic experiences 12 fantasy 13 history 14 historical fiction 15 hobbies and crafts 16 horror witchcraft and the occult 17 humor 18 improving yourself 19 languages 20 love and romance 21 music and musicians 22 mystery and crime 23 myths and legends 24 philosophies and philosophers 25 poetry and poets 26 social and personal problems 27 religion and religious leaders 28 science and scientists 29 science fiction 30 short stories 31 sports and sports figures 32 television movies and entertainment 33 wars soldiers spying and spies 34 westerns and people of the west and 35 women A directory of publishers and indexes of authors and titles conclude the book EL **Fancy Fowl** ,2002 **The Illustrated Practical Guide to Small Pets & Pet Care** David Alderton,2012 *The Simple Guide: Small Animal Care* Dennis Nuzzo, Have you been thinking of bringing a new pet into your family If you have do you realize that it does not have to be something big like a dog You can also have the option of going with a smaller mammal A few examples would be a gerbil or a hamster or maybe even a rabbit or a rat One common reason people choose smaller mammals as a pet is if they are restricted with the amount of space they have for a pet A prime example would be something living in a small apartment in the inner city Chances are that there would not be enough room in the apartment for a dog to be comfortable and have room to play On top of that it can be a real hassle walking a dog up and down stairs to take them outside and some dogs will require training to be able to walk in the city without problems Training can be costly and the entire experience of having a dog in a small apartment can be full of hassles so in this situation it is probably better to go with a smaller pet If your children have been begging you for a pet you might want to start out with a smaller animal Fish can be boring and children can lose their interest and forget about them in no time At the same time a dog can be way too much responsibility for a child especially if they are young and it is there first pet
