Lynsey Calderwood

A Ring In Blue The Cracked Slipper Series:

The Dragon Choker Stephanie Alexander, 2020-01-15 Eleanor Brice Desmarais she of the cracked glass slipper and unladylike intellectual propensities has learned that happily ever after is as rare as a frozen dragon even for a happenstance princess She survived a plot against her life but her marriage to the alcoholic womanizing Prince Gregory of Cartheigh remains at best a sham and at worse a potential noose around her neck Gregory is increasingly suspicious of Eleanor s unusually close relationship with his best friend Dorian Finley and with good reason Ironically Gregory seems to be engaged in his own scandalous love affair with Eleanor s scheming stepsister no less Eleanor understands the harsh realities of women s lives in her kingdom so she turns her energies to a school for impoverished girls until an evil magician s deception destroys the school and unleashes a festering plague From the Fire iron walls of Eclatant Palace to the slums of Meggett Fringe no one magical or mundane is safe from the fever induced delirium of the Great Burning Not even Eleanor s children As Eleanor s happily ever after morphs from circumspect to heartbreaking to mortally dangerous for both herself and Dorian she faces her greatest losses and her harshest reckoning No matter what life hands her however she finds the strength to do what she must She stares down her challenges protects her loved ones and fights to change the world Just like women everywhere in her world and ours

The Glass Rainbow Stephanie Alexander, 2020-04-02 Four years have passed since Eleanor Brice Desmarais s darkest secret came to heartbreaking perilous light The princess with the cracked glass slipper still mourns unimaginable losses including the deaths of her son and her best friend Her lover Dorian Finley is in exile in a far northern kingdom Eleanor and her husband Crown Prince Gregory of Cartheigh barely tolerate one another Her two daughters are the bright stars in what feels like an existence of endless night Husband and wife travel north on an unexpected diplomatic mission and Eleanor Dorian and Gregory resume their dangerous love triangle with continued interference from Eleanor s wily stepsister Eleanor s old nemesis Ezra Oliver forms a mysterious alliance with an army of vicious bloodthirsty ogres pushing Cartheigh to the brink of war His magical finagling exposes strange connections between Eleanor s world and our own and places her precocious enigmatic daughter Natalie in terrible danger When Gregory suddenly finds himself king he leans on Dorian and Eleanor s counsel With a fledgling monarch on the throne and the enemy amassing in the north the unlikely triad must unite for the good of the kingdom Their shared purpose forces Eleanor to rethink years of grudges resentment and animosity As she truly embraces her own power she finds herself learning to forgive and asking for forgiveness The long awaited conclusion to Stephanie Alexander s Cracked Slipper Series brings a satisfying resolution to a beloved fairytale Eleanor s surprisingly relatable enchanted life is a testament to the power of personal evolution and a reminder that there are no simple happy endings

A Ring in Blue Stephanie Alexander, 2013-10-25 Eleanor Brice Desmarais dream of a school for impoverished girls lies in mysteriously smoky ruins Despite her insistence and hard won proof no one believes that her magical arch nemesis has returned from the dead Her alcoholic philandering husband

Crown Prince Gregory is finally acknowledging that she's unusually close to his best friend Dorian Finley. Unfortunately, when an enchanted deception unleashes previously unimaginable misery on the kingdom of Cartheigh, Eleanor's happily ever after goes from circumspect to heartbreaking. From the fire-iron walls of Eclatant palace to the slums of Meggett Fringe, no one is safe from the fever-induced delirium of the Great Burning. Eleanor and Dorian, with the help of friends human and animal, magical and mundane, must ensure that propaganda and prejudice don't hinder the search for a cure. Discontented dragons, enraged townsfolk, old grudges, and growing suspicions lead to a long exile from home. As Eleanor faces both her greatest loss and years of hidden truths, she must rely on her own strength and newfound purposes to protect her loved ones and her country. *A Ring in Blue* is the third installment in Stephanie Alexander's bestselling Cracked Slipper Series.

The Torn Slipper Kimberlee R. Mendoza, 2022-12-13 Everyone knows the story of Cinderella, where the poor orphan girl is mistreated by her step family and is eventually freed by her fairy godmother. But what if Cinderella was the evil one? Meet Cynthia Tremaine, a spoiled rich girl who orders the servants around, is nasty to her stepmother and two stepsisters, and refuses to change despite her father's insistent begging. Dad has had enough and makes a birthday wish. With the puff of a few candles, a fairy godmother arrives and turns Cynthia into a maid. She now has until midnight on New Year's Eve to alter her behavior, or she'll be a servant girl forever. Can she make such a drastic change?

Stockton's Stories, Series 1 and 2 Frank R. Stockton, 1886 *Boys' and Girls' Circus Book* Enid Blyton, 2022-08-01 In *Boys and Girls Circus Book*, Enid Blyton crafts an enchanting tapestry of tales that capture the exhilaration and mystique of the circus world. Richly illustrated and engagingly written, this collection immerses readers in a vibrant array of stories filled with daring acrobats, charming clowns, and spirited animals. Blyton's narrative style is characterized by its simplicity and rhythmic charm, aimed at sparking the imagination of young readers while simultaneously fostering a love for storytelling. This book reflects the broader literary tradition of children's adventure literature, merging the allure of the circus with Blyton's signature focus on camaraderie, bravery, and the wonder of childhood escapades. Enid Blyton, one of the most beloved children's authors of the 20th century, penned this remarkable work during a time when children's literature was evolving to prioritize imaginative experiences. Her own upbringing, imbued with a sense of adventure and creativity, undoubtedly influenced her ability to create such vivid and engaging narratives. Blyton's keen understanding of her young audience, along with her detailed observations of the circus culture, culminated in this delightful collection that resonates with joy and excitement. I highly recommend *Boys and Girls Circus Book* for readers seeking a timeless adventure that celebrates the magic of the circus. It offers not only entertainment but also a deeper connection to the values of friendship and courage. Both children and adults will find themselves transported to a world teeming with excitement and wonder, making this book a cherished addition to any literary collection.
