## **A Memoir Of No One In Particular:**

A Memoir Of No One In Particular Daniel Harris, 2002-03-27 By his own account Harris indulges in naive indiscretions a self aggrandizing solipsism and an off putting infatuation with his own bodily functions He set out to write a wicked parody of recent memoirs but got bored with mere insipidity Annotation copyrighted by Book News Inc Portland OR A Memoir of Robert C. Winthrop Robert Charles Winthrop, 1897 Proceedings of the London Mathematical Society, 1877 Dramatic Works, with a Memoir of His Life Richard Brinsley Butler Sheridan, GGS, 1861 Autobiography of an Androgyne Earl Lind, 2023-11-25 Earl Lind's Autobiography of an Androgyne intricately weaves personal narrative with a profound exploration of gender identity in early 20th century America The book employs a candid introspective literary style merging lyrical prose with poignant social commentary as Lind articulates the complexities of living as a gender nonconforming individual Set against a backdrop of societal norms and constraints the work serves not only as a memoir but also as a significant text within the broader LGBTQ literature canon challenging readers to reconsider rigid notions of gender and sexuality Earl Lind born in the late 19th century lived through an era marked by stringent gender definitions and societal expectations His own experiences with gender fluidity coupled with external critiques and supportive figures within his life informed this groundbreaking autobiography Lind's journey is a testament to the courage required to live authentically in a time when such identities were often met with hostility and misunderstanding This landmark work is essential reading for anyone interested in the intersections of gender sexuality and autobiography Lind's insightful reflections and vibrant storytelling invite readers into a transformative journey that remains relevant today making it a vital contribution to contemporary discussions on identity Sceptical History Hélène Bowen Raddeker, 2007-04-30 A highly original work in history and theory this survey considers major themes including identity class and sexual difference and weaves them into debates on the nature and point of history Sceptical History arrives at new ways of doing history that consider non Western history and feminist approaches Using a wide range of historical and cultural contexts the study draws extensively on feminist scholarship both feminist history and postcolonial feminism Political Memoir George W. Egerton, 1994 The genre of political memoir has a long history from its origins in classical times through its popularity in the age of courts and cabinets to its ubiquity in modern mass cultures where retired politicians increasingly attract large and eager readerships for their revelations Yet there is virtually no scholarly criticism which treats this complex form of literature as a distinct genre fusing autobiographical historical and political elements The essays in this book draw together the collaborative findings of a team of British European American and Canadian scholars to present a pioneering historical and critical study of the genre of political memoir analysing the development of its distinct functions and assessing leading memoirists in European American Canadian Indian and Japanese societies The editor George Egerton introduces the volume and surveys the principal features of the genre over its long history Otto Pflanze analyses the memoirs of Bismarck Robert Young Milton Israel Joshua Mostow

and Robert Bothwell study the memoir literature of France India Japan and Canada respectively Barry Gough and Tim Travers look at naval and military memoirists while Zara Steiner B J C McKercher and Valerie Cromwell assess the memoirs of diplomats and their families Leonidas Hill examines the memoirs of leading Nazis John Munro Francis Heller and Robert Ferrell convey inside information on the making of memoirs notably by the Canadian Prime Ministers Diefenbaker and Pearson and the American President Truman Stephen Ambrose assays Nixon as memoirist while Janos Bak portrays the status of memoirists under totalitarian regimes Wesley Wark and John Naylor analyse the proliferation of intelligence memoirs and government efforts to protect official secrets from the revelations of the candid memoirist The principal findings reached by the contributors in their study of this problematic but influential genre are set out by the editor in the concluding chapter

*Sophie Germain* L.L. Bucciarelli, N. Dworsky, 2012-12-06 Why should the story of a woman's role in the development of a scientific theory be written Is it to celebrate as some have done the heroism of a woman's struggle in a man's world Or is it rather to demonstrate that gender is irrelevant to the march of scientific ideas This book hopes to do neither Rather it intends to do justice both to the professional life of a woman in science and to the development of the theory with which she was engaged Technically this essay centers on Sophie Germain's analysis of the modes of vibration of elastic surfaces work which won a competition set by the French Academy of Sciences in 1809 It also evaluates related work on the mathematical theory of elasticity done by men of the Academy Biographically it is about a woman who believed in the greatness of science and strove with some measure of success to participate in that noble but wholly male dominated enterprise It explores her failures analyzes her success and describes how the members of the Parisian scientific community dealt with her offerings contributions and demands
