A Messed Up Year First Quarter:

The Third Quarter Kevin Diekevers, 2025-05-23 We are all on a journey in life and each person's path looks different. It doesn't matter if you're in your 1st, 2nd, 3rd, or 4th quarter of life; we all have an end date. This is promised. What I hope this book will do is encourage you to evaluate your life and how you're living it. Are you reaching your full potential? Are you striving to reach the summit and go all in with wherever you are in your journey? Hopefully, this resource will help you think if you have the proper guardrails in place to keep you on the straight and narrow road. It is said that for every mile of road, you will have 2 miles of ditches. How much gas do you have left in your tank, and how much tread do you have left on your tires? You are made for more. Go out, explore a life of adventure, surround yourself with good people whose moral compass points true north. Serve the down and out and be a leader, and don't ever forget: HE WANTS YOU TO SHINE. **Solving the Year 2000 Software Problem** United States. Congress. House. Committee on Science. Subcommittee on Technology, 1996

Hearings United States. Congress. Senate, 1951 **Touchdown in the Dark** Jerry Silver, 2019-10-30 Dear Reader, First of all, though it may be unbelievable, as you begin to read this story, every single word about the bigotry and racism which plagued a small church and school in Oak Lawn, Illinois, is the absolute truth. Though some of the names and events have been altered to protect the innocent, every event occurred between 1950 and 2000 just as I have recorded them. Next, I want you to know this true story is not about the game of football but rather it is the story of the character and moral strength of the men with whom I had the privilege to play the game of football. It is also the true account of some ordinary men and women who became extraordinary by choosing to follow the example of Jesus Christ. Most of all, I want you to know the real solution to ending the bigotry, hatred, and hypocrisy which have been ripping our nation and world apart. Please read this book with an open mind and heart. The solution will probably not surprise you, but I hope it will inspire and challenge you to become part of the solution which will change this old world for God's glory. In Christ, Jerry Silver. 2 Corinthians 5:21 The Ice Bowl Ed Gruver, 2021-11-15 The day of the Ice Bowl game was so cold the referees' whistles wouldn't work, so cold the reporters' coffee froze in the press booth, so cold fans built small fires in the concrete and metal stands, so cold TV cables froze and photographers didn't dare touch the metal of their equipment, so cold the game was as much about survival as it was about skill and strategy. On New Year's Eve 1967, the Dallas Cowboys and the Green Bay Packers met for a classic NFL championship game played on a frozen field in sub-zero weather. The Ice Bowl challenged every skill of these two great teams. Here's the whole story based on dozens of interviews with people who were there on the field and off, told by author Ed Gruver with passion, suspense, wit, and accuracy. *Congressional Record* United States.
