Masculinity and Dress in Roman Antiquity Kelly Olson, 2017-05-08 In Masculinity and Dress in Roman Antiquity Olson argues that clothing functioned as part of the process of communication

by which elite male influence masculinity and sexuality were made known and acknowledged and furthermore that these concepts interconnected in socially significant ways This volume also sets out the details of masculine dress from literary and artistic evidence and the connection of clothing to rank status and ritual This is the first monograph in English to draw together the myriad evidence for male dress in the Roman world and examine it as evidence for men's self presentation status and social convention

One-Dimensional Man 50 Years On Terry Maley, 2017-06-27T00:00:00Z Herbert Marcuse's *One Dimensional Man* has been called one of the most important books of the post WWII era Published in 1964 Marcuse's work was highly critical of modern industrial capitalism its exploitation of people and nature its commodified aesthetics and consumer culture the military industrial complex and new forms of social control at the height of the Keynesian era Contributors to this collection assess the key themes in *One Dimensional Man* from a diverse range of critical perspectives including feminist ecological Indigenous and anti capitalist In light of the current struggles for emancipation from neoliberalism in Canada and across the globe this critical look at Marcuse's influential work illustrates its relevance today and introduces his work to a new generation

Man of Honor (EasyRead Super Large 20pt Edition) , Elizabeth Bowen Renee Carine Hoogland, 1994-06-01 Immensely popular during her lifetime the Anglo Irish writer Elizabeth Bowen 1899 1973 has since been treated as a peripheral figure on the literary map If only in view of her prolific outputten novels nearly eighty short stories and a substantial body of non fiction Bowen is a noteworthy novelist The radical quality of her work however renders her an exceptional one Surfacing in both subject matter and style her fictions harbor a subversive potential which has hitherto gone unnoticed Using a wide range of critical theories from semiotics to psychoanalysis from narratology to deconstruction this book presents a radical re reading of a selection of Bowen's novels from a lesbian feminist perspective Taking into account both cultural contexts and the author's non fictional writings the book's main focus is on configurations of gender and sexuality Bowen's fiction constitutes an exploration of the unstable and destabilizing effects of sexuality in the interdependent processes of subjectivity and what she herself referred to as so called reality

Integrating Gender Equality into Business and Management Education Patricia M. Flynn, Kathryn Haynes, Maureen A. Kilgour, 2017-09-08 This volume addresses the need to integrate gender equality into business and management education and provides examples of leading initiatives illustrating how this can occur from various disciplinary and global perspectives Gender inequality has a long history in business schools and the workplace and traditions are hard to change Some disciplines remain resolutely gendered affecting both women and men and case materials on women leaders and managers are still rare The chapters provide conceptual and research rationales as to why responsible management education must address the issue of gender equality They also identify materials and resources to assist faculty in integrating gender issues and awareness into various disciplines and fields These include specific case studies and innovations that assess or address the role of gender in various educational environments The book is designed to help faculty integrate the topic of gender equality into their own teaching

and research and gain support for the legitimacy of gender equality as an essential management education topic This is the first book in a series on gender equality as a challenge for business and management education published with the Principles of Responsible Management Education PRME Working Group on Gender Equality **Producing Masculinity** Michele White, 2019-02-08 Thoughtful witty and illuminating in this book Michele White explores the ways normative masculinity is associated with computers and the Internet and is a commonly enacted online gender practice Through close readings and a series of case studies that range from wedding forums to men's makeup video tutorials White considers the ways masculinities are structured through people's collaborations and contestations over the establishment of empowered positions including debates about such key terms and positions as the nice guy nerd bro and groom She asserts that cultural notions of masculinity are reliant on figurations of women and femininity and explores cultural conceptions of masculinity and the association of normative white heterosexual masculinity with men and women A counterpart to her earlier book *Producing Women* White has crafted an excellent primer for scholars of gender media and Internet studies [The Persuasion Industries](#) Steven McKevitt, 2018-08-09 At the end of the twentieth century Britain was a consumer society Commerce intoxicating and addictive had almost entirely colonized modern life People were immersed in and ultimately defined by promotional culture The things they consumed had overtaken class religion geography or occupation as the primary form of self identity and self expression For much of the twentieth century all forms of brand communication from political campaigning to product advertising were based on the theory of rational appeals to rational consumers There was only one problem with this theory it was wrong *The Persuasion Industries The Making of Modern Britain* examines developments in marketing advertising public relations and branding It explores the role they played in the emergence of the consumer society New ideas from fields of behavioural psychology and economics together with internal developments such as planning positioning and corporate branding allowed persuasion to become the driving force within many commercial enterprises Together these changes led to the emergence of an alternative emotional model of brand communication A simple idea that proved so compelling it changed the world we live in *Explorations in Consumer Culture Theory*, [The Handbook of Language, Gender, and Sexuality](#) Susan Ehrlich, Miriam Meyerhoff, Janet Holmes, 2017-10-10 Significantly expanded and updated the second edition of *The Handbook of Language Gender and Sexuality* brings together a team of the leading specialists in the field to create a comprehensive overview of key historical themes and issues along with methodologies and cutting edge research topics Examines the dynamic ways that women and men develop and manage gendered identities through their talk presenting data and case studies from interactions in a range of social contexts and different communities Substantially updated for the second edition including a new introduction 24 newly commissioned chapters ten updated chapters and a comprehensive index Includes new chapters on research in non English speaking countries from Asia to South America and cutting edge topics such as language gender and popular culture language and sexual identities and language
