A Priori Knowledge Oxford Readings In Philosophy:

A Priori Knowledge Paul K. Moser, 1987 This volume provides philosophers and students with important contemporary investigations on a priori knowledge by well known and influential philosophers including A J Ayer W V Quine Barry Stroud and C I Lewis *Essays on A Priori Knowledge and Justification* Albert Casullo, 2012-02-20 This book is a collection of essays concerning the concept and existence of a priori knowledge and the relationship between a priori knowledge and the related concepts of necessary truth and analytic truth **Dictionary of Philosophy** Alan Lacey, 2002-09-11 The third edition of this bestselling student reference book provides an illuminating and informed introduction to the key issues concepts and perspectives of philosophy The Dictionary has been thoroughly revised and updated Central Issues of Philosophy John Shand, 2009-06-02 Comprising 20 free standing chapters written by specialists in their respective fields Central Issues of Philosophy provides novice readers with the ideal accessible introduction to all of philosophy s core issues An accessible introduction to the central issues of philosophy Organized around key philosophical issues ranging from truth knowledge and reality to free will ethics and the existence of God Provides beginning students with the information and skills to delve deeper into philosophical fields of study Each chapter is written by an experienced teacher **The Oxford Handbook of Epistemology** Paul K. Moser, 2005-10-27 The Oxford Handbook of Epistemology contains 19 previously unpublished chapters by today s leading figures in the field These chapters function not only as a survey of key areas but as original scholarship on a range of vital topics Written accessibly for advanced undergraduates graduate students and professional philosophers the Handbook explains the main ideas and problems of contemporary epistemology while avoiding overly technical detail *The Routledge Dictionary of Philosophy* Michael Proudfoot, A.R. Lacey, 2009-12-04 First published in 1976 the Dictionary of Philosophy has established itself as the best available text of its kind explaining often unfamiliar complicated and diverse terminology Thoroughly revised and expanded this fourth edition provides authoritative and rigorous definitions of a broad range of philosophical concepts Concentrating on the Western philosophical tradition The Routledge Dictionary of Philosophy offers an illuminating and informed introduction to the central issues ideas and perspectives in core fields such as metaphysics epistemology and logic It includes concise biographical entries for more than one hundred major philosophers from Plato and Aristotle through to contemporary figures such as Dummett McDowell Parfit and Singer All major entries are followed by helpful suggestions for further reading including web links and contain extensive cross referencing to aid access and comprehension This edition also features a brand new guide to the most useful philosophy sites on the internet The Routledge Dictionary of Philosophy is an invaluable and up to date resource for all students of philosophy *Epistemology: Contemporary Readings* Michael Huemer, 2006-03-10 This comprehensive anthology of classic and contemporary readings by leading philosophers complements Robert Audi s *Epistemology A Contemporary Introduction* Routledge 1997 Each topic is carefully introduced by the editor *Plato's Meno* Dominic Scott, 2006-02-16 Given its brevity Plato s *Meno* covers an

astonishingly wide array of topics politics education virtue definition philosophical method mathematics the nature and acquisition of knowledge and immortality Its treatment of these though profound is tantalisingly short leaving the reader with many unresolved questions This book confronts the dialogue s many enigmas and attempts to solve them in a way that is both lucid and sympathetic to Plato s philosophy Reading the dialogue as a whole it explains how different arguments are related to one another and how the interplay between characters is connected to the philosophical content of the work In a new departure this book s exploration focuses primarily on the content and coherence of the dialogue in its own right and not merely in the context of other dialogues making it required reading for all students of Plato be they from the world of classics or philosophy
