Goll, 2011-09 Bestselling author and respected leader offers the only book workbook combination on the fundamentals of faith for Spirit empowered Christians **The View from the Mountaintop** Dr. T. Goll, 2021-03-09 James Goll is one of the most accurate prophets I know Sid Roth It's Supernatural The Scriptures give us a full color picture of a God who is moved by emotions such as yearning love and compassion Our human emotions reflect the emotional qualities of our Creator who made us in His own image

Feelings have a vital place in any believer's life not just in those who have a more sensitive nature due to their personalities. The Feeler by James W. Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God's voice. We experience the love, joy, and presence of God with our feelings. Our emotions have an impact on our bodies, our level of holiness, our relationships, and our decisions. The Bible tells us we need to have our senses trained to discern good and evil. Hebrews 5:14 NASB: "What are we training? Both our natural senses and our spiritual senses. Our physical senses with the addition of knowing correspond to our spiritual senses in these ways: Eyes sight visions and dreams; Ears hearing voices and sounds; Heart touch emotions and feelings; Tongue taste good and evil; Nose smell good and bad; Mind knowing divine thoughts and impressions. This book will show you how to listen for and recognize the often subtle ways God's Spirit speaks to believers as well as how to discern good and evil spirits. With consecrated gifts and senses, you can reach out to the body of Christ and to the world at large in both spiritual and practical ways, making you much better equipped to fulfill your role as an ambassador of the gospel."

Essential Christianity Keith Sherlin, 2006-06: "What are the essentials to the Christian faith? How can you know and find God's will? What doctrines comprise the foundation to a Christian life? What should church leadership look like? What experiences mark a healthy Christian? These questions and more are answered in this book. If you are looking for one book that can cover the whole Christian life, then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily."

Basics of the Faith Carl F. H. Henry, 2019-11-27: "A systematic theology from the pillars of evangelicalism. Basics of the Faith is an overview of essential Christian doctrines from some of the best minds of mid-twentieth century evangelicalism around the globe. Originally appearing in the pages of Christianity Today during 1961-1962, this collection includes essays from influential theologians and biblical scholars including Philip E. Hughes on inspiration, Anthony A. Hoekema on the divine attributes, John Murray on sanctification, Cornelius Van Til on original sin, F. F. Bruce on the person of Christ, G. E. Ladd on the saving acts of God, Leon Morris on the atonement, and J. I. Packer on the nature of the church. This edition includes an introduction by Kevin J. Vanhoozer that lays out their original context and evaluates their ongoing significance. Approachable yet scholarly, Basics of the Faith is both a relevant systematic theology and a celebration of evangelical heritage."

Becoming a Christian in Christendom Jason A. Mahn, 2016-11-01: "How might one live the Christian faith within a culture that idealizes and privileges Christianity while also relativizing it, rendering it redundant and innocuous? Arguing for a reconceptualization of the theology of the cross and radical communal practices, this book brings together two clusters of critics of Christian acculturation and accommodation: 1) Lutherans such as Kierkegaard and Bonhoeffer who lift up radical discipleship against the propensity toward cheap grace; and 2) various Anti-Constantinians including neo-monastic communities who resist the church's collusion with power politics symbolized by the conversion of Constantine in the early fourth century. Drawing on these diverse resources, author Jason Mahn explores some pervasive dangers of America's new Christendom: its accommodation to an exploitative economy that

cheapens the meaning of grace its endorsement of political liberalism within which the church becomes another special interest group its justification of war and other forms of necessary violence and its self defeating lip service to religious inclusivity Mahn provocatively imagines alternatives to conventional Christianity ones whereby the church embodies an alternative politic where it commits to cruciform non violence appreciates gifts by giving them away and knows its boundaries well enough to learn from those on the other side **"Follow Me!": Basics of Christian Discipleship** Terry G. Temple,2012-05-03 Defines the terms disciple and discipleship and describes the practices of a disciple of Jesus Christ

Church in Life Michael Moynagh,2017-09-20 Taking account of the significant developments in practice and thinking around the emerging church this book will quickly establish itself as a key text for all interested in pioneer ministry fresh expressions church planting church growth and ecclesiology **Radical Christian Voices and Practice** Zoë Bennett,David B.
