David Aldridge

Accordion Music Besame Mucho:

Music Glocalization David Hebert, Mikolaj Rykowski, 2018-06-11 This unique edited volume offers a distinctive theoretical perspective and advanced insights into how music is impacted by the interaction of global forces with local conditions As the first major book to apply the timely notion of glocality to music this collection features robust scholarship on genres and practices from many corners of the world from studies of European opera professions and the oeuvre of several contemporary art music composers to music in Uzbekistan and Indonesia urban street musicians and even the didjeridoo The authors interrogate theories of glocalization distinguishing this notion from globalization and other more familiar concepts and demonstrate how its application illuminates the mechanisms that link changing musical practices and technologies with their social milieu This incisive book is relevant to scholars of many different specializations particularly those with a deep interest in relationships between music and society both past and present More broadly its discussions will be of value to those concerned with how changing policies and technologies impact cultural heritage and the creative approaches of performing artists worldwide

Accordion World, 1944 *The Jewelers of the Ummah* Ariella Aïsha Azoulay, 2024-09-24 Algeria's Arab Jews were renowned for their metal working and jewellery making skills and these jewellers of the ummah the Arabic community are for Azoulay the symbol of a world that can still be reclaimed and repaired In a series of letters written to her father her great grandmother and her children and to the thinkers and artists she claims as intellectual kin such as Frantz Fanon and Hannah Arendt Azoulay traces the history of Arab Jewish life in Algeria and how it was disrupted by French colonialism She begins by asking how her family became assimilated into the identities of Israeli Jewish or French As she does she finds a whole lost world open up to her the world of her family the Arab Jews of Algeria She traces how Arab Jews were severed from other Arabs and how Arab Jews were severed from their Arabness by the Israeli vision of a Jewish diaspora and sets out to repair those breaks and revive their world But it is in the return to the carefully crafted jewels whose beautifully crafted objects act as messages to the future reminds us of the conviviality of a world that existed long before colonial disruption and whose memory challenges the imperial ways of thinking we have all inherited

The Pianomaker, 1943 Polish Estrada Music Ewa Mazierska, 2023-09-11 Polish estrada music dominated Polish popular music throughout the state socialist period but gained little attention from popular music scholars because it was regarded as being of low quality and politically conformist Ewa Mazierska carefully examines these assumptions considering those institutions which catered for the needs of estrada artists and their fans the presence of estrada in different media and the careers and styles of the leading stars such as Mieczysław Fogg Irena Santor Violetta Villas Anna German Jerzy Połomski Maryla Rodowicz Zdzisław Sońka Zbigniew Wodecki and Izabela Trojanowska Mazierska also discusses the memory and legacy of estrada music in the postcommunist period The book draws on Poland's cultural and political history and the history of Polish popular music and media including television and radio Mazierska engages with concepts such as genre stardom and authenticity in order

to capture the essence of Polish estrada music and to provide a comparison with popular music produced in other countries
