Lynette Ryals, Malcolm McDonald, 2008 Based on the world class research at Cranfield Management School this text offers an essential introduction to the principles and reality of strategic key account planning It is ideal for senior managers and key account managers at all levels as well as those on executive and MBA courses [Corporate Recovery](#) Stuart St. P. Slatter, David Lovett, 1999 An insightful book filled with practical advice on what to do with a corporation that is about to fail unless corrective action is taken **International Management in Service Firms** Dirk Klimkeit, Pengji Wang, Huiping Zhang, 2024-05-22 This textbook examines how service firms manage their international operations For the first time it brings together insights from the fragmented literature on this subject into an accessible textbook Further it is unique in its focus on service firms internationalization and international management Beginning with an overview of the international environment in which service firms operate it subsequently describes multinational service firms and their internationalization processes strategies and organization Unlike most texts on international services the book goes beyond

internationalization to address the ongoing management of service firms It not only addresses functions such as global service marketing financial management and human resource management but also discusses aspects such as global account management global service delivery and international project management as well as the topical issue of managing distributed virtual teams A dedicated chapter focuses on offshore shared services and business process outsourcing These chapters are complemented by a discussion on international corporate governance and corporate social responsibility The book is intended for students preparing for international careers in the service sector Each chapter includes case studies illustrations highlighted definitions a chapter summary and exercises

Sales Management Thomas N. Ingram,Raymond W. LaForge,Ramon A. Avila,Charles H. Schwepker Jr.,Michael R. Williams,2015-03-27 The new 9th edition of Sales Management continues the tradition of blending the most recent sales management research with real life best practices of leading sales organizations The authors teach sales management courses and interact with sales managers and sales management professors on a regular basis Their text focuses on the importance of employing different sales strategies for different consumer groups as well as integrating corporate business marketing and sales strategies Sales Management includes current coverage of the trends and issues in sales management along with numerous real world examples from the contemporary business world that are used throughout the text to illuminate chapter discussions Key changes in this edition include Updates in each chapter to reflect the latest sales management research and leading sales management trends and practices An expanded discussion on trust building and trust based selling as foundations for effective sales management All new chapter opening vignettes about well known companies that introduce each chapter and illustrate key topics from that chapter New or updated comments from sales managers in Sales Management in the 21st Century boxes An online instructor s manual with test questions and PowerPoints is available to adopters

Key Account Management Diana Woodburn,Malcolm McDonald,2012-11-13 This book is crammed with distilled practical wisdom for key account managers and their directors Organizations claiming to practise key account management should equip everyone involved with a copy so they really understand what they are supposed to be doing Anything less is just old fashioned selling Developing successful business to business relationships with more customers in highly competitive markets requires processes and skills that go beyond traditional selling activity The very best state of the art strategies are set out clearly in this book by intentionally known authors who have worked at the highest levels with more key and strategic account managers worldwide than probably any other leading advisors Based on the hugely influential KEY CUSTOMERS it looks at Why has account management become so critical to commercial success What are the key challenges and how do successful companies respond What part does key account management play in strategic planning How do companies build profitable relationships with their customers How does key account management actually work What does a successful key account manager look like and what skills does he she need How should key account managers be evaluated and rewarded How do companies

achieve key account management By addressing these key questions Woodburn and McDonald provide tools and processes for success honed by tough consultancy projects with the boards of some of the world's leading companies The book stresses the elements that really matter from developing a customer categorization system that really works and analyzing the needs of key accounts to understanding the new skills required by key account managers and ensuring that key account plans are implemented The real world approach is backed by tested principles and the latest research from the renowned Cranfield School of Management Key Account Management comes from authors who have taught leading companies how to approach their most powerful and demanding customers and still make money It is essential reading for all senior management with strategic responsibility for key or strategic account directors and for marketing and sales executives The clear and authoritative approach also makes it an outstanding text for the serious MBA and executive student as well as business to business company directors and key account managers

Sales Force Management Joseph F. Hair, Jr., Rolph Anderson, Rajiv Mehta, Barry Babin, 2020-09-16 The second edition of Sales Force Management prepares students for professional success in the field Focused on the areas of customer loyalty customer relationship management and sales technology this practical resource integrates selling and sales management while highlighting the importance of teamwork in any sales and marketing organization The text presents core concepts using a comprehensive pedagogical framework featuring real world case studies illustrative examples and innovative exercises designed to facilitate a deeper understanding of sales management challenges and to develop stronger sales management skills Supported with a variety of essential ancillary resources for instructors and students Sales Force Management 2nd Edition includes digital multimedia PowerPoints for each chapter equipped with voice over recordings ideal for both distance and in person learning Additional assets include the instructor's manual computerized and printable test banks and a student companion site filled with glossaries flash cards crossword puzzles for reviewing key terms and more Integrating theoretical analytical and pragmatic approaches to sales management the text offers balanced coverage of a diverse range of sales concepts issues and activities This fully updated edition addresses the responsibilities central to managing sales people across multiple channels and through a variety of methods Organized into four parts the text provides an overview of personal selling and sales management discusses planning organizing and developing the sales force examines managing and directing sales force activities and explains effective methods for controlling and evaluating sales force performance

Corporate Turnaround Stuart Slatter, David Lovett, 1999-03-25 When firms are on the brink of failure only turnaround management can restore performance and profitability The key is to provide stability and create cash and a breathing space for building long term success This fully revised edition provides practical advice on restoring confidence through effective leadership and planning It highlights the importance of communication with stakeholders staff customers and suppliers and how best to structure the capital base of an organization in order to fund recovery and future growth Essential reading for chief executives consultants

and merchant bankers as well as investors tracking the progress of ailing businesses this book offers a definitive set of tools and techniques

Strategic Marketing Management: Theory and Practice Alexander Chernev, 2019-01-01

Strategic Marketing Management Theory and Practice offers a systematic overview of the fundamentals of marketing theory defines the key principles of marketing management and presents a value based framework for developing viable market offerings The theory presented stems from the view of marketing as a value creation process that is central to any business enterprise The discussion of marketing theory is complemented by a set of practical tools that enable managers to apply the knowledge contained in the generalized frameworks to specific business problems and market opportunities The information on marketing theory and practice contained in this book is organized into eight major parts The first part defines the essence of marketing as a business discipline and outlines an overarching framework for marketing management that serves as the organizing principle for the information presented in the rest of the book Specifically we discuss the role of marketing management as a value creation process the essentials of marketing strategy and tactics as the key components of a company's business model and the process of developing an actionable marketing plan Part Two focuses on understanding the market in which a company operates Specifically we examine how consumers make choices and outline the main steps in the customer decision journey that lead to the purchase of a company's offerings We further discuss the ways in which companies conduct market research to gather market insights in order to make informed decisions and develop viable courses of action Part Three covers issues pertaining to the development of a marketing strategy that will guide the company's tactical activities Here we focus on three fundamental aspects of a company's marketing strategy the identification of target customers the development of a customer value proposition and the development of a value proposition for the company and its collaborators The discussion of the strategic aspects of marketing management includes an in depth analysis of the key principles of creating market value in a competitive context The next three parts of the book focus on the marketing tactics viewed as a process of designing communicating and delivering value Part Four describes how companies design their offerings and specifically how they develop key aspects of their products services brands prices and incentives In Part Five we address the ways in which companies manage their marketing communication and the role of personal selling as a means of persuading customers to choose purchase and use a company's offerings Part Six explores the role of distribution channels in delivering the company's offerings to target customers by examining the value delivery process both from a manufacturer's and a retailer's point of view The seventh part of the book focuses on the ways in which companies manage growth Specifically we discuss strategies used by companies to gain and defend market position and in this context address the issues of pioneering advantage managing sales growth and managing product lines We further address the process of developing new market offerings and the ways in which companies manage the relationship with their customers The final part of this book presents a set of tools that illustrate the practical application of marketing theory Specifically Part Eight

delineates two workbooks a workbook for segmenting the market and identifying target customers and a workbook for developing the strategic and tactical components of a company s business model This part also contains examples of two marketing plans one dealing with the launch of a new offering and the other focused on managing an existing offering
