Irreversible Damage Abigail Shrier, 2020-12-11 Every parent needs to read this Helen Joyce Until just

a few years ago gender dysphoria severe discomfort in one's biological sex was vanishingly rare. It was typically found in less than 01 percent of the population emerged in early childhood and afflicted males almost exclusively. But today whole groups of female friends in colleges and schools across the world are coming out as transgender. These are girls who had never experienced any discomfort in their biological sex until they heard a coming out story from a speaker at a school assembly or discovered the internet community of trans influencers. Unsuspecting parents now find their daughters in thrall to YouTube stars and gender affirming educators and therapists who push life changing interventions on young girls including medically unnecessary double mastectomies and hormone treatments that can cause permanent infertility. Abigail Shrier a writer for the Wall Street Journal has talked to the girls their agonised parents and the therapists and doctors who enable gender transitions as well as to detransitioners young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls social status Shrier finds but once they take the first steps of transition it is not easy to walk back.

Productivity, Professionalism, and Parenting in Academia Christine E. Tulley, 2025-04-30 Drawing on time use diary analysis this unique and detailed study fills in the larger narrative about what it takes hour by hour to navigate academic motherhood with a rhetoric and composition career. Looking specifically at the intersections between parenting and writing for publication in order to find out how and when writing for career advancing tasks such as publication occur but also through the lens of disciplinary time constraints including heavy grading and administrative workloads the book examines support systems noted within diary entries that make combining motherhood and a career in rhetoric and composition possible. Using both quantitative analysis of hours and qualitative coding of time use diaries from rhet comp moms this book answers questions about publishing professionalism and parenting. This book will interest scholars and graduate students working in the discipline of rhetoric writing and composition particularly those working on labor and professional issues on gender and equality within the discipline and anyone working in all fields looking for ways to foster a better work life balance.

Entre 2016 et 2017 aux tats Unis les interventions en chirurgie transgenre sur des jeunes femmes ont t multipli es par quatre et il en va de m me au Royaume Uni. Comment interpr ter une telle progression? Abigail Shrier journaliste au Wall Street Journal a rencontr des psychologues des parents des jeunes en phase de transition et d autres qui ont abandonn leur traitement travers une enqu te journalistique. Fouill e elle met en lumi re une strat gie militante m lant lobbying r seaux sociaux et intimidation. Elle l ve

galement le voile sur le rôle actif des collèges lycées et universités ainsi que sur la détresse des parents dépourvus de moyens d'action. Au nom d'une prétendue affirmation de l'identité, une véritable exploitation du mal-être adolescent se met en place avec la clé des interventions chirurgicales et des traitements médicaux terrifiants. L'heure où la France voit apparaître de plus en plus de décès sur ce thème. Dommages irréversibles s'impose comme une lecture salvatrice, un véritable signal d'alarme qu'il convient d'entendre avant de mettre en péril l'avenir de plusieurs générations de jeunes filles. Le livre de l'année. Un essai lire absolument. The Economist. Une véritable tempête. Abigail Shrier s'en tient aux faits et livre un ouvrage d'investigateur. The Times.
