Early Mapping of Southeast Asia Thomas Suarez,2012-08-07 With dozens of rare color maps and other documents Early Mapping of Southeast Asia follows the story of map making exploration and colonization in Asia from the 16th to the 19th centuries It documents the idea of Southeast Asia as a geographical and cosmological construct from the earliest of times up until the dawn of the modern era using maps itineraries sailing instructions traveler s tales religious texts and other contemporary sources it examines the representation of Southeast Asia both from the historical perspective of Western exploration and cartography and also through the eyes of Asian neighbors Southeast Asia has always occupied a special place in the imaginations of East and West This book recounts the fascinating story of how Southeast Asia was quite literally put on the map both in cartographic terms and as a literary and imaginative concept **Bookseller** ,1888 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **The Routledge Companion to Art and the Formation of Empire** Emily C.

Burns,Alice M. Rudy Price,2025-05-30 This companion comprises essays that analyze interactions between art and global imperial relationships from 1800 to World War II The essays in this volume expose and add to historical layers of meaning in their discussions of art and empire Found across much of the globe sites of sedimentary rock allegorize the dynamics of art and empire and frame the section structure for this book Twenty two authors unpack imperial layers in a variety of global and historical contexts through case studies that center art and visual and material culture The authors show how art and

aesthetics have operated as tools of empire Interpreting a comprehensive array of media as well as inter media dialogues they analyze and intervene in how we remember and examine entwinements between empire and aesthetic practices In this volume s attention to the role of art in imperial formation as well as the legacy of colonization the essays disentangle sediments of culture as they are moved and shaped by homogenizing forces of empire showing that the aesthetics of empire inflect not only individuals makers and economies but also practices of circulation and collecting The book will be of interest to graduate students researchers and professors and may be used in classes focused on art history imperialism and colonialism Journal of the American Geographical Society of New York American Geographical Society of New York,1899
