Labour of Love Shannon Garner,2016-07-01 A story of generosity hope and surrogacy Shannon Garner met and married the man of her dreams had two gorgeous children and lived an idyllic life on the New South Wales coast So why did she decide one day to pursue altruistic surrogacy And what made her choose a gay male couple from Sydney Labour of Love is Shannon s honest and engaging story a rollercoaster of emotion set against the backdrop of a highly regulated industry This is no account of heartache and conflict but an uplifting story of a collective love one that involves a handful of people from very different walks of life who end up being so much more than family As Shannon travels her journey of body mind and soul she lays bare the loving reality behind surrogacy but also the trouble she found along the way Finding strength in unexpected places Shannon pushed past the negativity of others to discover the courage she needed to selflessly carry and birth a baby that will not be her own and to bring the gift of a precious life and soul into the world to be loved and cared for by her new adoring parents
