to start her senior year in high school in Coldspring TX when a mysterious foreign exchange student from Romania moves in across the street. Jacques and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacques sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn to is actually a Canis Lupus werewolf and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacques are getting to know each other, another wolf steps out to try and claim Jacques as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacques be enough to give him the strength to defeat his enemy and will Jacques accept she is Fane's mate and complete the bond between them?

The Hybrid Rule Quinn Loftis, 2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years. Evil witches, warlocks, fae, elves, and alphas, just to name a few. And all have found the pack too strong to break. But the foe hellbent on taking down the pack now, the vampire king Cain, has a plan that might finally tip the balance of power away from the wolves. In the middle of the desert, Cain works desperately to find a way to mix the blood of wolves and vampires. While most find the idea reprehensible, Cain believes it is the key to his victory. He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus. Such a force would be unstoppable even for the powerful of alpha or alphas. Fane Lupei. And Cain just might have found the secret ingredient necessary to bring his plans to fruition.

The Forbidden Bond Quinn Loftis, 2024-03-31 Vampires and werewolves sworn enemies. Alice Douglas, gifted geneticist, finds herself coerced by her influential father into participating in a clandestine government project led by Cain, the king of all vampires. Cain aims to create a formidable hybrid army by combining the strongest and most dangerous vampire and werewolf traits. But the experiment has a deadly cost, having already claimed the lives of numerous dormant werewolves. Alice's role in the enterprise takes a dramatic turn when Cain discovers she is a rare gypsy healer, potentially the key to his plan's success. An unexpected bond forms between the pair, a forbidden connection between light and darkness. Their relationship is further complicated when Alice is attacked by a rogue vampire, Claude. In a desperate bid to save her, Cain gives Alice his blood, transforming her into something. But Alice's pure soul violently rejects the king's vampiric blood, throwing her life into grave peril. Enter Perizada, the fae protector of all gypsy healers. Peri learns that Alice's salvation lies with her true mate, Maxim, a rogue werewolf. The wolf determined to rescue Alice joins forces with Fane Lupei, the Alpha of alphas. Meanwhile, Alice, held captive and battling internal turmoil, believes there's goodness in Cain and strives to unearth it. But Cain is resolute in keeping Alice his prisoner, regardless of the consequences. A new alliance of wolves and healers must find a way to sever Cain's deadly bond with Alice without killing her and thwart the vampire's plans to unleash an unstoppable hybrid army, a threat stronger than any the wolves have ever faced.

Jacque s mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families But something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital It wasn t Fane he would be with her on the other side she knew that If she died he died too and he wouldn t have it any other way She could feel Peri s presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacque s survival Jacque was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn t know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn t sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she d served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he d found her and that kind of darkness doesn t let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn t stand a chance The Grey Wolves Novella Collection Quinn Loftis,2021-01-13

A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more

wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger *Piercing Silence* Quinn Loftis,2015-06-12 It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over She and Fane thought his demons had been dealt with but the nightmares are back and the In Between is once again ripping a hole inside of her mate Jacque can t stand to see him hurting She can t stand knowing that in some way she was responsible for his struggle because she after all was the subject of his pain from the In Between She ll do anything to stop his turmoil So she makes a desperate decision to do what she thinks her mate needs or doesn t need Others will call it insane Jen will add her own creative descriptions including expletives thrown in for added effect Whatever you call it Jacque calls it an answer to the darkness that is slowly consuming her mate She knows that if Fane has any idea of what she has planned he would chain her to his side So naturally she does what any female Canis lupus would do in her shoes she shuts down the bond and prays that no one gets in her way She knows he might never forgive her but then if her plan works he won t even remember her name
