James Monteith,1895 *A Guide to Wartime Collectables* Arthur Ward,2013-09-16 Make sure you re getting the genuine article with this well illustrated guide and must read for collectors of twentieth century military memorabilia Antiques Diary Written by a longtime collector A Guide to Wartime Collectables tells readers what to look for when looking for authentic military items From army badges to gas masks this book covers the major types of twentieth century military collectables Arthur Ward shows what these items look like and what new collectors should be looking for to ensure they re purchasing authentic artifacts and not reproductions This book also includes photographs of the author s collection that feature important details such as insignias and other regalia A very useful book written by an author who knows his stuff The Armourer *The Bren Gun* Neil Grant,2013-07-20 Adopted in 1938 and remaining in British service until 1991 the popular and reliable Bren was an iconic light machine gun and arguably the most recognizable Commonwealth weapon of World War II Gas operated and magazine fed it was based on a Czech design and was issued in large numbers during and after World War II as a section level automatic weapon Offering remarkable accuracy for an LMG the Bren had an effective range of 600 yards but could reach out to over 1 500 yards It was generally fired from the prone position using a bipod but could be fired from the hip when necessary If kept clean the Bren gave a reliable service in the harshest of environments from the deserts of Libya to the Korean mountains in winter As well as widespread infantry use the Bren was widely supplied to resistance movements in Occupied Europe Featuring specially commissioned full colour artwork and based on meticulous research this is an engaging story of the iconic light machine gun that equipped British and Commonwealth forces throughout World War II and in a host of postwar conflicts right up to the Falklands and beyond **Knowledge, Power and Educational Reform** Rob Moore,Madeleine Arnot,John Beck,Harry Daniels,2006-10-16 Selected writings from an international team of scholars highlighting the contribution made to the field of educational policy and educational policy research by Basil Bernstein s work on the sociology of pedagogy *The Combat Soldier* Anthony King,2013-02-21 A work of historical comparative

sociology examining the evolution of infantry tactics in the American Australian Canadian British French German and Italian armies from the First World War to the present It addresses a key question in the social sciences of how social solidarity cohesion is generated and sustained **World War II Infantry Tactics** Stephen Bull,2021-05-27 Despite all technological advances final mastery of any battlefield depends upon the tight knit group of footsoldiers trained to manoeuvre shoot and dig in This first of a two part study examines the methods by which the Western infantry of World War II the German British and US armies actually brought their firepower to bear Drawing upon period training manuals for the evolving theory and on personal memoirs for the individual practice this first book covers the organization and tactics of the squad of ten or a dozen men and the platoon of three or four squads The text is illustrated with contemporary photographs and diagrams and with colour plates bringing to life the movement of soldiers on the battlefield *A Manual of the Geology of India* Medlicott,1893

Bibliography of Scientific and Industrial Reports ,1946 Second World War Infantry Tactics Stephen Bull,2020-01-31 This wide ranging military study examines WWII infantry tactics and operations on both sides through the battlefields of Europe The dirty and dangerous frontlines of World War II belonged to the men who fought in the infantry Yet the history of infantry tactics is too rarely studied and often misunderstood Stephen Bull corrects this oversight with an in depth account of infantry theory and combat experience covering the British German and American Armies in the European theater of operations Bull s close analysis of the rules of engagement the tactical manuals the training and the equipment is balanced by vivid descriptions of the tactics as they were tested in action These operational examples show how infantry tactics on all sides developed as the war progressed and they give a telling insight into the realities of infantry warfare

Churchill's Army Stephen Bull,2016 A fascinating and informative account of every facet of life in the UK army during the Second World War Surviving the Ride Steve Camp,Helmoed-Römer Heitman,2014-09-19 Mine protected and mine resistant ambush protected MRAP vehicles are today standard in the US most major western armed forces and many other armies as a result of the wars in Iraq and Afghanistan The South African Army was already routinely using mine protected armored personnel carriers and patrol vehicles forty years ago even if they looked primitive and ungainly A few years later the South African Army had reached the stage where it could deploy entire combat groups into battle zones equipped with only mine protected vehicles including their ambulances and supply trucks By then the mine protected vehicles had also become effective for use in combat rather than just protected transport the Casspir being the chief example More to the point they saved countless soldiers and policemen from death or serious injury and the basic concepts now live on in the various MRAP types in service today The valuable lessons learned by the South Africans with their early designs of these combat proven vehicles has led the country to become one of the global leaders in the design of MRAPs which are locally manufactured and exported around the world *Surviving the Ride* is a fascinating pictorial account featuring more than 120 of these unique South African developed vehicles spanning a forty year period with over 280 photographs many of which are

previously unpublished The Lewis Gun Neil Grant,2014-03-20 During World War I the British adopted the US designed Lewis gun as an infantry weapon realizing that its light weight and the fact that it could be fired both prone and on the move made it ideal for supporting advances and defending captured trenches Later adopted by an array of countries from the Netherlands to Japan the Lewis successfully served as the primary or secondary armament in armoured fighting vehicles and in both ground based anti aircraft and aircraft mounted roles Although it was superseded by the Bren in British service in 1937 the outbreak of World War II meant that thousands returned to active service and it played a key role as far afield as Libya with the Long Range Desert Group and the Philippines with the US Marine Corps Written by an authority on this iconic light machine gun this is the fascinating story of the innovative and influential Lewis gun from the trenches of World War I to the Libyan desert and Pacific islands of World War II and beyond *Walford's Concise Guide to Reference Material* Albert John Walford,1981 Annotated bibliography of reference material relating to philosophy religion the social sciences etc

Repeating and Multi-Fire Weapons Gerald Prenderghast,2018-04-06 From the very earliest days of organized warfare combatants have wanted to develop weapons with more firepower This has inevitably led to a wide variety of repeating weapons capable of a degree of sustained fire without reloading Based largely upon new research this book explores the history of repeating and multi fire weapons beginning with the Chinese repeating crossbow in the 4th century BCE and ending with the world's most common firearm the Kalashnikov AK 47 The author describes the potency of the machine gun in World War I the development of the semiautomatic pistol and the role of the submachine gun in improving the effectiveness of the infantryman Australia 1944-45 Peter J. Dean,2016 Thoroughly researched and generously illustrated Australia 1944 45 is the compelling final instalment in Peter Dean's Pacific War series **CHARIOTS OF WRATH** SAM WHITWORTH,2016-05-31 Chariots of Wrath is the story of one man's passion for all things mechanical and in particular aircraft which he fell in love with after his first flight in 1935 when his father took the family to see one of Sir Alan Cobham's legendary Flying Circus demonstrations at Brighouse in Yorkshire Here he was taken up in a giant airliner age nine years old and he was hooked Not long after the author started work as a young apprentice with the famous Blackburn Aircraft Company which had a factory near his new home on the outskirts of Leeds From that day to the end of his working life except for a brief career in the Leeds Police Force Mounted Division and his wartime duties as a tank driver Sam Whitworth rose through the ranks of a number of celebrated aircraft companies to become a Fellow of the Royal Aeronautical Society Within these pages are marvellous stories of the aeroplanes and aeronautical events that he has been associated with *A Historical Perspective on Light Infantry* Scott Ray McMichael,1987 This study seeks to clarify the nature of light infantry General characteristics of light infantry forces are identified and an analysis of how light forces operate tactically and how they are supported is presented In the process the relationship of the light infantry ethic to its organization is evaluated and the differences between light infantry and conventional infantry is illuminated For the purpose of this study the term

conventional infantry refers to modern day motorized and mechanized infantry and to the large dismounted infantry forces typical of the standard infantry divisions of World War II the Korean War and the Vietnam War The study concludes that light infantry is unique and distinct A light infantry ethic exists and manifests itself in a distinctive tactical style in a special attitude toward the environment in a freedom from dependence on fixed lines of communication and in a strong propensity for self reliance The study is based on a historical analysis of 4 light infantry forces employed during and since World War II The Chindits in the 1944 Burma campaign against the Japanese The Chinese communist Forces during the Korean War British operations in Malaya and Borneo 1948 66 and the First Special Service Force in the mountains of Italy 1942 44 p 2 of cover
