Agree to Differ UNESCO, Tudor Rose, 2015-05-11 The International Decade for the Rapprochement of Cultures IDRC builds on the strong momentum created by and the achievements of both the International Decade for a Culture of Peace and Non Violence for the Children of the World 2001 2010 and the International Year for the Rapprochement of Cultures 2010 It is to be understood as a commitment for addressing the urgent need to take into account and clearly demonstrate new articulations between cultural diversity and universal values The rapprochement of cultures implies that international security and social inclusion cannot be attained sustainably without a commitment to such principles as compassion conviviality hospitality solidarity and brotherhood which are the corner stones of human coexistence inherent in all faiths and secular ideologies The current surge of flaring conflicts acts of violence and intolerance demands urgent actions Peoples and nations have to join forces for the development of a universal global consciousness free from racial ethnic and social prejudices The United Nations have proclaimed the period 2013 2022 as International Decade for the Rapprochement of

expecting much from this book though I do hope one or two chapters will open the eyes of married men and women to the fact that they should not take their marriages for granted and to keep the right kind of company No malice is intended toward anybody Books such as Coffee Tea or Me or the BBC series Come Fly with Me dont paint a complete picture about the lives of those working in airline industry Not all of us were snared by honey traps and bribes Airline staff meets all sorts of people and temptations abound Ultimately it all depends on the person I had a good thirty three years of lessons working at the airport I cherish and hold dear the experiences Ive gathered the people Ive met and the friends Ive made I thank my friends and the passengers who encouraged me to pen this book
